ALUMNI SURVEY – REPORT 2024-2025

ALUMNI survey is conducted to measure the level of Employment and enrollment for Higher studies. The Alumni EXIT survey is conducted every year after 6 months of Graduation. A Survey Questionnaire is circulated among the graduates, who have completed their programme during the Academic year, to collect data on their status after Graduation. The Survey questionnaire contains questions related to their Employment.

- Organisation Employed
- Higher Studies status
- Higher Studies University
- Entrepreneurship status

This Year the survey was sent to 5038 graduates who completed their degree programme during the academic year 2024-2025 of which 4636 students responded to the survey. The following Table and Graph shows the status of the students within 6 months after their graduation.
