RESHAPING LIFE THROUGH SCHOLARSHIPS

1. About the Practice

Sathyabama is an inclusive Institution and works with the motto of "Education for all." The Anbu scholarship scheme was initiated by our Chancellor Dr. Mariazeena Johnson to help the poor and needy pursue higher education. This initiative gives hundreds of deserving students the opportunity to continue their education.

Sathyabama aims to create a society in which everyone has access to equal opportunities and the right to a good life. The Institution believes that education is an instrument to improve the socioeconomic status of people living in poverty and develop rural economies. The Sathyabama Institute of Science and Technology's mission is to provide quality education to students while developing qualified manpower for the nation. The core ideology of the Institution is inclusivity, and this scholarship programme intends to reflect the value system of the Institution. The idea of the programme is to give opportunities for the underprivileged communities to develop and succeed in life.

The Institution offers courses in engineering, science, technology, arts, management, dentistry, nursing and law. It offers educational opportunities for underprivileged, and marginalized people living in poverty, children of destitute women, children of war widows, children with special needs, children of prison inmates and girl children who are victims of acid attacks. Apart from the scholarship for underrepresented groups, the Institution also appreciates and rewards students with excellent performance in their academics. 10-30% of the Scholarship is given to meritorious students based on their ranks in end semester examinations. The Institution has established Sathyabama IAS academy to provide free coaching for civil service aspirants. This academy

enables students to pursue civil services coaching by expert trainers, retired civil servants and bureaucrats. Our alumni in the civil services are also invited to create awareness and motivate students to crack civil service examinations.

2 ANBU SCHOLASHIP

The Anbu Scholarship is offered to meritorious children who lack financial support to continue their education. The Institution is associated with many trusts and foundations which involve in identification and selection of meritorious, deserving, needy and capable students with higher degree of transparency. Agaram Foundation, World Vision, India vision, Ability Foundation, Banyan, NAAM, Maatram, and Tamilnadu Blind Association are some of such organizations through which the students apply for this scheme.

Anbu Scholarship students

2.1 Beneficiaries of the Anbu Scholarship include

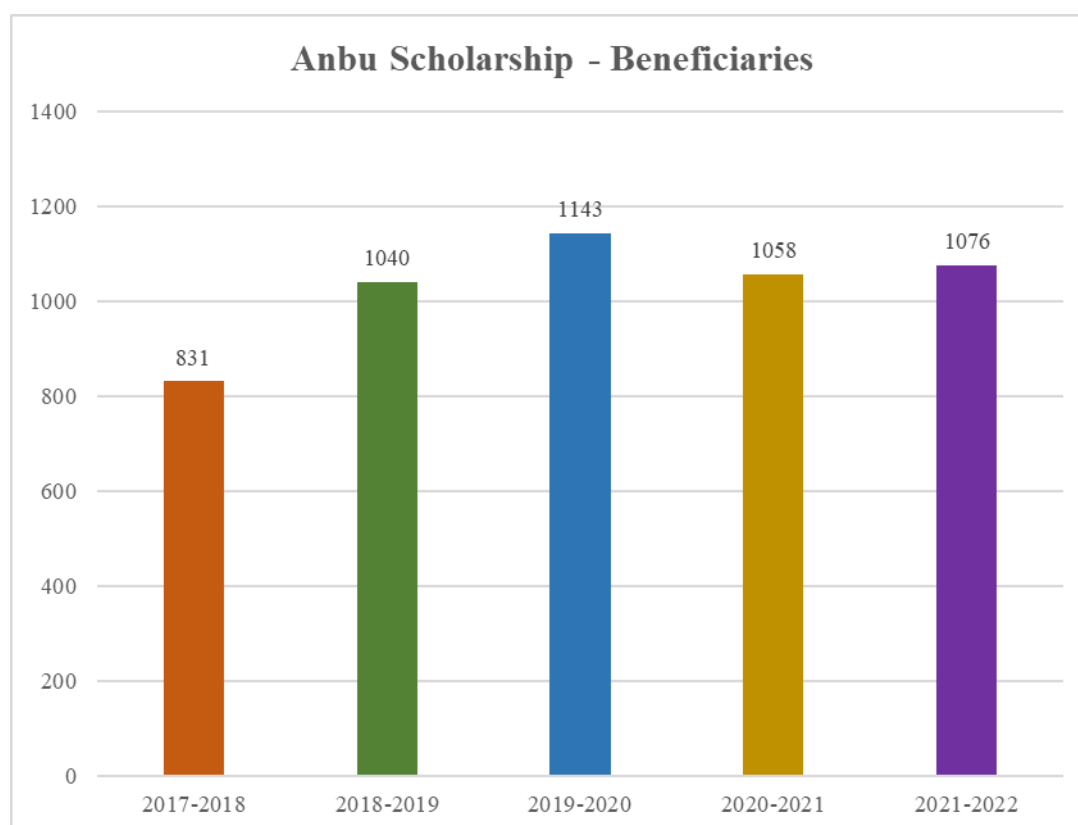

- Students from rural backgrounds and those who are economically backward
- Students with an excellent academic record who could not continue education due to financial constraints
- Differently abled students
- Victims of violence
- Students with sports excellence
- Students with a strong desire and demonstrated ability to continue their studies but no parents to support their academic dreams or goals

Our Chancellor with the Acid Attack victims who were offered Full Scholarship to pursue higher education at our Institution

2.2 Number of Beneficiaries of Anbu Scholarship last five years

Year	No. of Beneficiaries
2017-2018	831
2018-2019	1040
2019-2020	1143
2020-2021	1058
2021-2022	1076

2.3 NGOS and other Foundations who have benefited from the Anbu Scholarship Scheme

2.4 Outcomes of the Anbu Scholarship

- The scholarships provide students with the opportunity to undertake further education opportunities that may have otherwise been hard for them to access.
- This culture of supporting and encouraging students reshapes students' lives by enhancing their skills and education.
- Scholarships change student lives with increased career opportunities 8% of students are annually benefited, and 5642 students have been benefited from this initiative in the last 5 years
- Around 300 Students with special needs have graduated from the Institution in the last 5 years
- This initiative has transformed the lives of thousands of children from marginalised and underrepresented groups.
- Hundreds of deserving students are benefited from merit scholarships

2.5 SUCCESS STORIES

I lost my parents suddenly. I was very weak emotionally; I have lost my confidence and question marks everywhere in my life from basic necessities to continuing my education. In that situation, I came to know about this scholarship scheme provided by Anbu foundation through MAATRAM. Now, I am able to study without any trouble. Regained my confidence and faith about my future and career. My humble thanks to ANBU.Sabareeswari K.

I am Dhivya studying in ECE, the course which I dreamt to do. Anbu Foundation has given lot of confidence to my aspiration. I have understood that their intention is not only to help students financially with the scholarship but more importantly to see them winning always. In the University, we are also offered with part-time jobs which we can do without disturbing our studies. Now my communication skills improved a lot and also economic status. My life got completely changed after joining in Sathyabama University. This is because of the wonderful support given by ANBU and AGARAM. Dhivya V.

In my village allowing girls to continue education outside the village is not allowed. But my success and the progress shown by me is now giving hope for all the girls and parents in the village to change their opinion about City education. They got inspired by seeing me. Now the situations are slowly changing, girls from village are coming out for studies. I am happy that I became the role model for my family as well as to my village. This is possible because of the scholarship; I have received in the right time and got seat in right institution, our Sathyabama University. Manju V.

It has always been a great dream of mine to study in a reputed college and I feel very blessed to have received a generous scholarship giving me an opportunity to study in Sathyabama. The journey in the campus has been a dream come true and a memory to cherish for my lifetime. I have got placed in three reputed companies (Cognizant, Wipro and Capgemini) which is only because of the meticulous training provided by the placement cell. They have supported us constantly through online training during the pandemic. I thank all my staff members and placement cell from the bottom of my heart for this great career start.

I am so thankful to be one of the recipients of the Scholarship provided by Sathyabama. This scholarship allowed me to follow my dreams. Your philanthropy has expanded the opportunities available to enhance the lives of the next generation. My education at Sathyabama has been a wonderful experience of learning with prolific exposure of the world. I hold huge respect, love and devotion for the entire faculty. I wish to express my deepest sense of gratitude for being placed in 2 companies, Cognizant and Capgemini. Thank you again for your confidence, support and willingness to help me achieve my goals and investing in my education and future

Thanks to generous educational scholarship offered. Sathyabama University has been a great contributor in shaping my personality. I have developed leadership, time management and team skills and also been able to advance these skills to the whole new level. The infrastructure of the University is one of the finest in the country equipped with the most advance d technology. The professors here make the university what it is today. The entire faculty, department and placement cell leaves no stone unturned to shape their student's future. With an attitude of being ever ready to help is the spirit of the institution.

I am pursuing Mechanical engineering at Sathyabama University. I am coming from Rural area in Ariyalur District. While studying HSC I dreamed to become an Engineer, But I didnt have financial background to achieve my Dream. Now Its became true, I Never expected that I will be studying in such a great university with merit. I heartily thank Anbu Foundation for giving me such a wonderful opportunity to develop my Career. Sathyabama university supported me not only in Academic and also to develop my extra curricular activities. I dont think that everyone can do this as a social service. Now I got placed in Infosys because of the support from Anbu Foundation and Sathyabama University. Once again thanks to Anbu and all faculties of Sathyabama University.Murugan

It was my dream to be an engineer but i never beleived i can do engineering because of my financial condition but thanks to Anbu Foundation and sathyabama university that my dream become reality. Now,i am an engineer and placed in wipro all credit goes to anbu foundation and sathyabama university. now i can support my family. i learned a lot here now i am more confident guy. the way anbu foundation and sathyabama appreaciate students like us its really amazing. i wish sathyabama keep doing this good work. i am very thankful to Anbu and my all well wishes with sathyabama university.Manish Srivastava

3 DR. JEPPIAAR REMIBAI MERIT SCHOLARSHIP

Dr. Jeppiaar Remibai Merit Scholarship is given to students who excel in academics and emerge as toppers in exams in each branch. This scholarship is provided to motivate and encourage the students to work hard and perform well in academics so that they are entitled to the reward in the form of a scholarship. Every year, the toppers are awarded with Dr. Jeppiaar Remibai merit scholarship. The first, second, and third toppers are given a 30%, 20% and 10% discount on their tuition fees, respectively. This scholarship is based only on performance and does not depend on the student's background. It encourages students to give their best and work towards achieving the best in their lives.

Eligibility requirements to Avail Scholarships

Top 3 Rank Holders based on University Examination Results of each branch

Minimum Score of 75% is mandatory to avail Scholarship

Ranks will be given based on Total Score

II Year

- 10% Tuition fee Waiver for all the Top 3 rank Holders & Full waiver of Examination fee

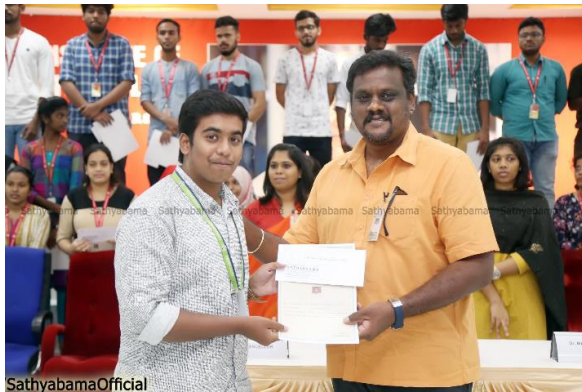

III Year

- 20% Tuition fee Waiver for the Top rank Holder, 10% Tuition fee Waiver for the 2nd and 3rd rank Holders & Full waiver of Examination fee

IV Year

- 30% Tuition fee Waiver for the Top rank Holder, 20% Tuition fee Waiver for the 2nd rank holder and 10% tuition fee waiver for the 3rd rank Holder & Full waiver of Examination fee & Project Fees

1 CENTRE FOR ACADEMIC PARTNERSHIP & INTERNATIONAL RELATIONS

Centre for Academic partnership and International Relations is an initiative of Sathyabama devoted to promote academic alliances with Universities and Institutes at National and International level. The Centre is formed in the year 2014 and since then it is actively involved in establishing links through Memorandum of Understanding to facilitate Research Collaboration, Student Exchange Programmes and Faculty Exchange Programmes.

Our Institution has partnership with leading Universities and research establishments across the globe. We have more than 150 partner universities across the world.

1.1 FUNCTIONS OF THE CENTRE

- Facilitating academic and research collaboration with partners.
- organizing and participating in International Education Fairs, participating in networking events and Summits
- Responsible for coordinating Faculty Exchange Programmes, Student Exchange Programmes, Semester Abroad Programmes, Internship Abroad Programmes and Summer Schools with Partnering Universities.
- Applying for various funded Programmes and International Credit Mobility Projects for Faculty and Students.
- Coordinating International Joint seminars/symposiums/conferences
- Taking care of international students on campus

1.2 ACTIVITIES OF THE CENTRE

Sathyabama has initiated several activities towards Internationalisation and is involved in various collaborative activities like

- Student exchange
- Faculty exchange
- Inviting International Professors
- Twinning programmes,
- Semester abroad programmes
- Internships and summer schools
- Joint research
- Joint publication
- Joint conference, symposium and workshop, webinars
- Participation in bilateral research calls announced by India and the partner country to promote academic and research collaborations.

SIGNING of MoUs A Glimpse...

Sathyabama enters into agreement with International Universities across the globe to facilitate international activities including Student Exchange, Faculty Exchange, Joint Research, Internships abroad etc.

SathyabamaOfficial

FACULTY EXCHANGE PROGRAMME

Sathyabama Institute of Science and Technology offers opportunity for Staff members to participate in the Faculty Exchange Programme with foreign universities. The objective of this programme is to provide broader experience to faculty members by teaching in different environments and interacting with colleagues in various institutions.

4.1 INBOUND FACULTY AT OUR CAMPUS

Faculty members from our partnering Universities are invited to our Institution to share their experience and handle classes for our students. This Programme provides an International learning experience to our students. The students get exposed to different teaching pedagogy and get opportunity to interact with International professors.

Dr Emmanuel Lamoureux, Professor, University of Lorraine, France

Dr Ling Tok Wang, Professor, National University of Singapore, Singapore

Dr Rusydi Umar, Professor, Universitas Ahmad Dahlan, Indonesia

Dr Jakir Hossen, Professor, **Multimedia University, Malaysia.**

Dr Lim Thong Leng, Professor, **Multimedia University, Malaysia**
