#### SUGGESTIONS

Students are extremely happy with the steps taken by the university towards their holistic development. Students felt that interaction with faculty during online classes is helpful not only in clarifying the doubts but also in developing personal and inter personal skills. Remote laboratory facilities, remote software access etc. helped in developing their practical knowledge. In addition to the above, the other suggestions are consolidated below.

- Even more practical examples can be dealt in the class.
- Self-learning exercises can be given.
- Courses related to critical thinking can be included.
- More exercises to provoke critical thinking, lateral thinking of the students can be given.

In all the above parameters, all the students are either extremely happy or happy with teaching, learning and evaluation process of our university.
