The registration to elective courses for the VII semester (2019-2023 batch) and V semester (2020-2024 batch) B. Tech Biotechnology students has been initiated. All the students are requested to inform their preferred one elective course to their year coordinator and complete the registration on or before 26-05-2022. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.

The registration to elective courses for the V semester B.Sc. Biotechnology (2020-2023 batch) and III Semester B.Sc. Biotechnology (2021-2024) students has been initiated. All the students are requested to inform their preferred single elective course to their year coordinator and complete the registration on or before 26-05-2022. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.

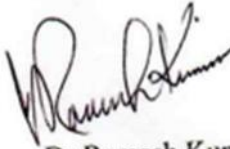

LIST OF ELECTIVES (2020-2023 Batch)

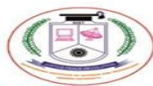

1.	SBB1612	Molecular Modeling & Drug Design
2.	SBB1613	Marine biotechnology
3.	SMB1602	Biofertilizers and Biopesticides
4.	SBB1615	Bioethics, Biosafety and IPR
5.	SBB1616	Nanobiotechnology

Ref: SIST/BTE/16/Elective/Even/2022-23

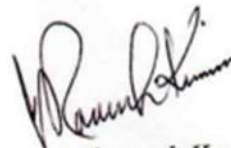

The registration to elective courses for the IV semester B.Sc. Microbiology, B.Sc Biotechnology and B.Sc Biochemistry (2021-2024 batch) students has been initiated. All the students are requested to inform their preferred single elective course to their year coordinator and complete the registration on or before 16-12-2022. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.
