The registration to elective courses for the III semester (2021-2023 batch) M.Sc. Medical Biotechnology and Clinical Research students has been initiated. All the students are requested to inform their preferred one elective course to their year coordinator and complete the registration on or before 26-05-2022. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.
