Subject: Letter of Appointment

Dear Ms. Aishwarya,

We are pleased to offer you an internship position in our studio for 100 working days joining from 19thDec'2022. You will be assigned under a senior architect who will evaluate your weekly performances and guide with daily assignment of works.

Interns are treated as full time staff for the period they work with us and will hence be required to meet the office guidelines for daily reporting time, vacation requests, employee IDs and meeting of project deadlines. They will also be remunerated for their time and effort with us.

During your employment, you may have access to trade secrets and confidential business information belonging to the company. By accepting this offer of employment, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the company. In addition, you agree that, upon conclusion of your employment, you will immediately return to the company all of its property, equipment and documents including electronically stored information.

We hope that your association with the company will be successful and rewarding. Indicate your acceptance of this offer by signing below.

FIRM HISTORY

AM+P STUDIOS is an well established Architectural Firm was founded by Ar. Arvind ram and Ar. Mirnalini Ram in late 2008, which was previously known as **Studio D Cubed** boasts of a small and talented team with an extended skills range from Architectural design, CAD drafting, 3D animations, miniature modeling, web designing, creative writing and designing exclusive project brochures. AM+P consists Architects, Interior Designers and Planners with a passion for design and a drive to make a difference.

The Principal Architects Ar. Arvind Ram And Ar Mirnalini Ram who has intinally started their practice in US for over 10years, in the late 2008 formed AM+P studios (Studio D Cubed).Now the firm is well established for 10 + years and has grown to nuture many talents and projects.

Am+p is guided by sensitivity to culture and climate of a place where they design by challenging – asking the right question. Am+p mission is to deliver exceptional design ideas and solutions through the creative blending of human need, environmental stewardship, value creation, science and art.

Each of AM+P's projects strives to enrich one's experience of space, light, context, materials and craftsmanship through the experience of architecture. Am+P believes that exemplary architecture not only provides fundamental space, but also acts as a lens through which we view, understand and appreciate the natural and man-made world.
