Re: Offer of Employment

Dear Krupa Sangeeth Kadavakollu,

We are very excited to formally offer you the position of **Intern - Junior Architect** in Chennai for Deejos Engineers and Contractors Private Limited (the "Company") beginning on Monday, Jan 09, 2023. This letter describes the terms and conditions of your employment.

Employment Status

You will be on probation for an initial period of (3) months, which the Company may extend in its sole discretion. During your probationary period, the company can dispense with your services at any time without any notice.

Compensation

Your compensation will be **Rs.8000 / Month**. This compensation shall be paid to you in accordance with the company's normal payroll practices. You are expected to keep your compensation information confidential.

Leave and Benefits Plan

You will be eligible for leave and benefits as per Company Policy.

Compliance Documents and Personnel Policies

At our company, our reputation is a critical asset. Each and every one of us must focus on making it a point of pride. Our Code of Conduct clearly outlines our roles and responsibilities as employees and members of the DEEJOS community, and provides guidance on our daily decisions that affect the welfare of the company. It is part of our culture, part of the way we do business.

Finally, Company personnel policies and practices will apply to situations not specifically addressed in this letter. The Company, as its sole discretion, change these from time to time.

Rules, Regulations and Policies

Your employment is subject to you completely Read, Understand and Signing the Rules, Regulations and Policy document.

Use of Company Systems

Regd. Address: DEEJOS Engineers & Contractors Pvt Ltd., 2nd floor, No. 1, C.L.C. Works Road, Chrompet, Chennai - 600 044.

OFFICE PROFILE

DEEJOS is a multidisciplinary design practice by young designers focusing on architecture, interior and construction with strong belief in our design process. We strive to define new perspectives through innovation design techniques and materials to create modern and contemporary design that meet the needs of the client and preferences incorporating elements of the local culture and climate. Exploring design on creating spaces that are functional, aesthetically pleasing and sustainable. Our work path runs along multiple scales of projects, types, context and settings.

RO_TERRACE FLOOR PLUMBING LAYOUT

WARM NEUTRALS

Characterised by simplicity, clean lines, and a monochromatic palette with colour as an accent that blends harmoniously into the setting like a single piece of artwork
