CRITICAL OVERVIEW:

My experience in center of design excellence was great and very productive . it was my pleasure to be a part of their family and to work with their team. In this opportunity of my internship , I have learnt many new things . I have got to understand the Practical knowledge of the project , how the firm works and how things are coordinated between different departments . Working with different people , I got to learn many new cad skills , also by working in different projects , I was great platform for learning
