

LETTER OF RECOMMENDATION

TO WHOMSOEVER IT MAY CONCERN

This is to acknowledge the performance of **ROHIT SHARMA**, during the training and internship program in **Data Scientist** that he joined with us in October **2021**. He's been an amazing learner. He has proved his worth with his hard work, and dedication throughout his tenure. He has proved his tenacity to learn by being a regular and interactive trainee during the training period and performed extremely well during the internship tenure. He is highly skilled with data and modeling. In the batch of 250 students, through his constant efforts and hard work, he has proved himself to be among the top 20 students. We highly recommend him based on his interest in the field and his dedication to learning something new and the qualities he reflected throughout the tenure.
