

Internship Certificate

Date: 10th June 2023

This is to certify that **Harish Kumar Balamurugan**, bearing registration number 41150029, from Sathyabama Institution of Science and Technology, Chennai has successfully completed an internship at **Eunoia Innovations Private Limited**. Harish joined our organization as a **Jr Design Intern** on 24th May 2023 and completed his internship on 9th June 2023.

Throughout his tenure, Harish displayed exemplary dedication, enthusiasm, and a strong work ethic. He consistently demonstrated exceptional skills in the field of design and showcased a keen ability to think creatively and innovatively. His contribution to various projects was commendable, and his work was of high quality.

Harish Kumar Balamurugan was an asset to our team and made significant contributions to our organization. His attention to detail, ability to meet deadlines, and willingness to take on challenging tasks set him apart. He consistently sought opportunities to learn and improve his skills, making him an integral part of the design team.

We express our appreciation for Harish's exceptional performance and professionalism during his internship with Eunoia Innovations Private Limited. We believe that his time with us has provided him with valuable experience and insights into the design industry.

We wish Harish Kumar Balamurugan continued success in his future endeavours and have no doubt that he will excel in his chosen career path.

For Eunoia Innovations Private Limited
