PROJECT- NAVARATNA

- This is a duplex apartment renovation project for the interior.
- we create a master bedroom with a balcony and an attached bathroom.
- The bedroom is approximately 13'4" x 13'0".
- we have used different types of material to make the best of the space
- we used marble finish as our dominant color for this space as a bed and bed back finish as well as use veneer and PVD rose gold as our accent in the locker and wardrobe draw, and finally poly cot as a wardrobe shutter finish
- We used a spotlight and magnetic track light in the ceiling.
- Donkey Brown, Wenge, Silver Chalice, Gray Nickel, and Judge Grey are the colors utilized to enhance the room.
- I visited the location to measure the existing space, looked online for inspiration, and provided comprehensive drawings as some of my efforts to this project.

PROJECT- GOPAL SHARMA

- It is an internal commercial renovation project. Design a space for an office and textile specimen room. the office is approximately 18'0"x10'5" and the sample room is approximately 16'5"x11'4"
- To make the most of the area, we have utilised a variety of materials.
- In the sample room we used brick texture paint as our dominant color for this space, as well as we use PVD rose gold as our accent
- in the office room we used wall paint as our dominant color and marble finish in the shelf area as our accent
- In ceiling we used track lights and spot lights
- Colors theme used in sample room to enhance the space are Wenge, Myrtle, Stone, and French Beige respectively
- Colors theme used in office room to enhance the space are French Beige, Roman Coffee, Pale Taupe, Sil and Lisbon Brown.
- Some of my inputs to this project include going to the site to take up the existing dimensions, consulting the Internet for ideas, and creating thorough drawings.

PROJECT- MAHAVIR SQUARE

- It involves internal commercial renovation. I made contributions to the MD cabin, display area, and reception area as part of this project.
- we have used different types of material to make the best of the space
- We used laminate material for the shutters and stone veneer for the tabletop in the MD cabin, along with PVD material for the shelves.
- For our display space, we displayed several types of samples on the ceiling.
- We used pu and marble for the reception area.
- Colors theme used in MD cabin to enhance the space are Beaver as dominant colour, Desert Sand as our secondary colour and Sepia Skin as our accent
- colors theme used in the reception area are black as the dominant color, Green White as secondary colour, and Light Taupe as the accent
- Went to the site to take up the existing dimensions, referring to the Internet for ideas, and detailed drawings are some of my contributions to this project.

PROJECT- ASHWINI THANAWANI

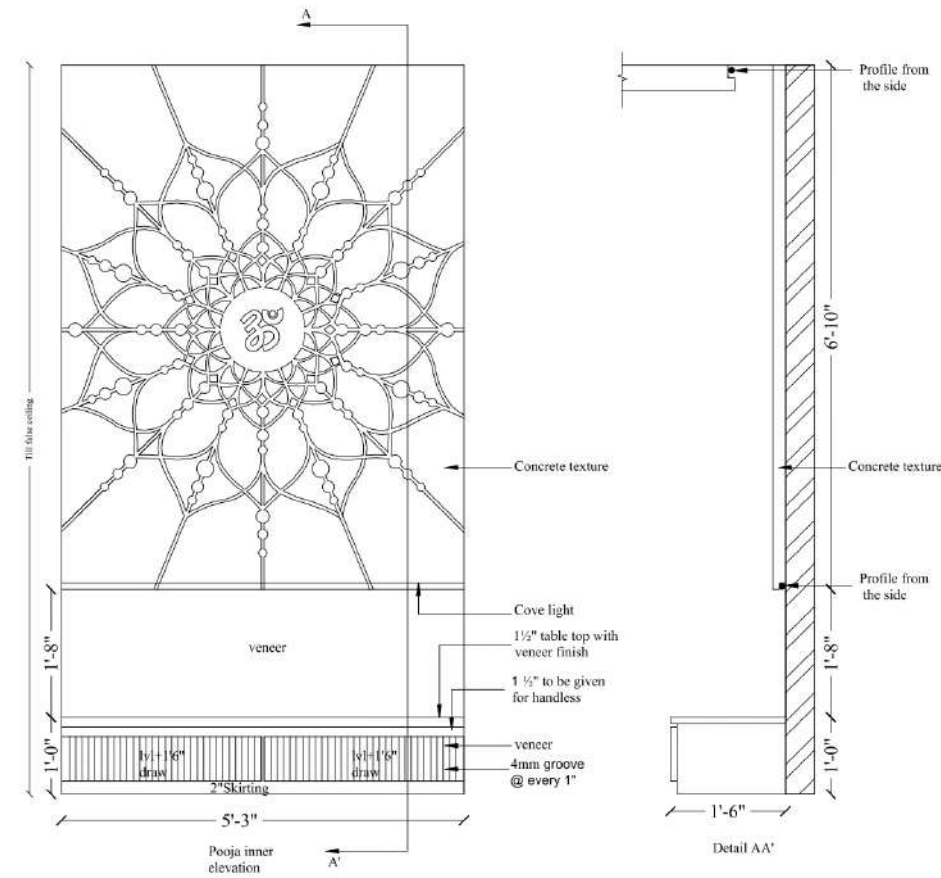

- Project involves indoor household remodelling. I contributed to some of the spaces in this project, including the pooja, living, and dining areas.
- we have used different types of material to make the best of the space
- In the Pooja we used veneer, fiberglass and concrete textures
- In dining we use black pu finish and marble finish as our material
- we use the same marble material in living room to follow the pattern in both dining and living.
- Colors theme used in Pooja to enhance the space are Battleship Grey, Oil, and Pale Silver
- colors theme used in the dining area are black, English Walnut, and Silver Chalice.
- Colors theme used in living room are Silver Chalice, english walnut and Cotton Seed
- Some of my contributions to this project include going to the site to take up the existing dimensions, consulting the Internet for ideas, and creating detailed drawings.
