Date: 18 May 2022

To whomsoever it may concern

As a part of the Academic requirement and the regulations of Sathyabama Institute of Science and Technology and the Council of Architecture, our student **MALARVIZHI. S (39210043)** is required to undergo professional training from the month of June 2022, for a minimum span of 90 working days in her VII semester. The training has to be done under a senior registered architect with a minimum of 5 years of professional experience.

The student will have to submit a documentation report (supported with copies of work done by her, duly attested by the architect) of all the drawings and site related activities undertaken under the supervision of Principal architect at the end of training period to the institution. It is requested that **MALARVIZHI. S (39210043)** may be given an opportunity to undergo training in your Architectural firm.

Kindly send an appointment letter to the undersigned stating that the student has been selected as a trainee in your esteemed office.

Thanking you

Dr. Devyani Gangopadhyay

Dean, School of Building and Environment

1.1 ABOUT THE FIRM:

C. R. Narayana Rao is an ISO 9001-2008 certified firm of reputed architects and engineers based in Chennai. Founded in 1945, CRN has been a major player in designing the urban landscape in India and cities across the world.

- We believe that our designs reflect the values and aspirations of its clients.
- We aim to exceed client expectations and create "a built environment" of lasting impact.
- We respect budgeted costs and time schedules.
- We seek to achieve our goals by creating an office environment that facilitates creativity, teamwork, leadership, quality consciousness and continual improvement through innovation.

CRITICAL OVERVIEW:

M/S C.R.Narayana Rao(Consultants) Private Limited company gave me an wonderful opportunity to experience a great knowledge and exposure over architectural field, with the guidance of **Ar.JYOTHIRAM G** ,Here I have learnt new software skills and lot about theoretical view.Which gave me new ideas to do further conceptual approach towards my further design, Material knowledge which got here is lot where I got into materials which makes my perspective in a new shape.
