ABOUT US

Established in 1997

We have been practicing landscape consultancy from the past 2 decades, handling works from small layouts to large townships, different types : various range of projects from residential, commercial, institutional etc
Locations : in various locations all over India. To facilitate our working in various locations, we have our local presence in few southern cities.

Head office : Bangalore, Branch office : Hyderabad with a Local coordinator : Chennai

Overall we are a team of around 50 individuals with varied qualifications required to process a integrated landscape development. We have horticulturists, 3d visualisers, quantity surveyors, in-house other than the default designers, architects and architectural draft persons.

Recognitions Aaranya Terrace Garden Restaurant won the award under restaurant category IID, Prabhu Terrace Garden Published in inside - outside Magazine - 2008, About Timken Project published in landscape architecture Magazine, Dr.Reddy's Laboratories - Hyderabad won best architecture JK- Award - 2009. (Architect - Mindspace)

CONCEPTUAL DESIGN

Site analysis, requirement analysis, architectural character analysis. Understand client & phases of development for ecological sustainability.

DESIGN DEVELOPMENT

Integrate and coordinate landscape design with all other aspects - site formation levels, storm water drainage, structural and architectural character.

TENDER PROCESS

Prepare documents sufficient for the contractor to quote for the project. We also assist in selecting and finalizing the contractor.

WORKING DRAWINGS

Working drawings to execute/build on site of all hardscape and softscape features, also coordinate with electromechanical consultants for irrigation and water body elements.

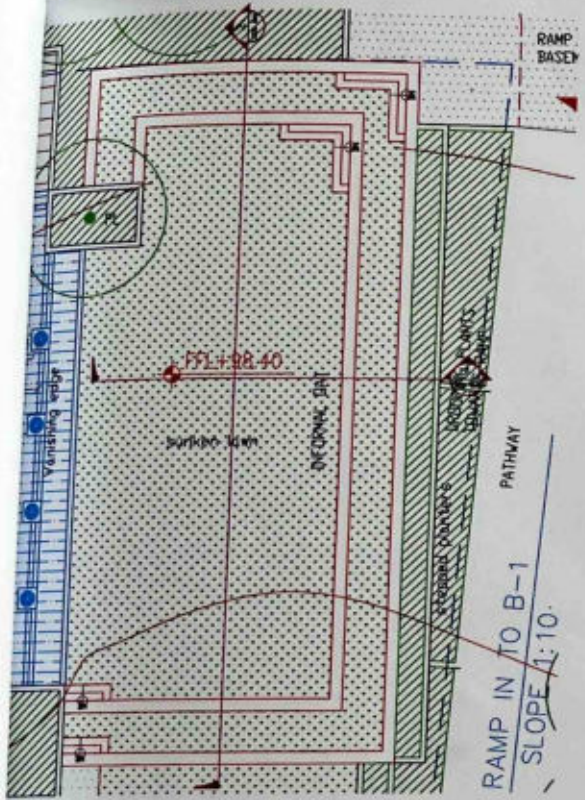

SUPERVISION

Evaluate on-going construction activity by attending scheduled progress meetings with the client or his appointed agents. Assist QS/Cost Consultant in negotiations with vendors.

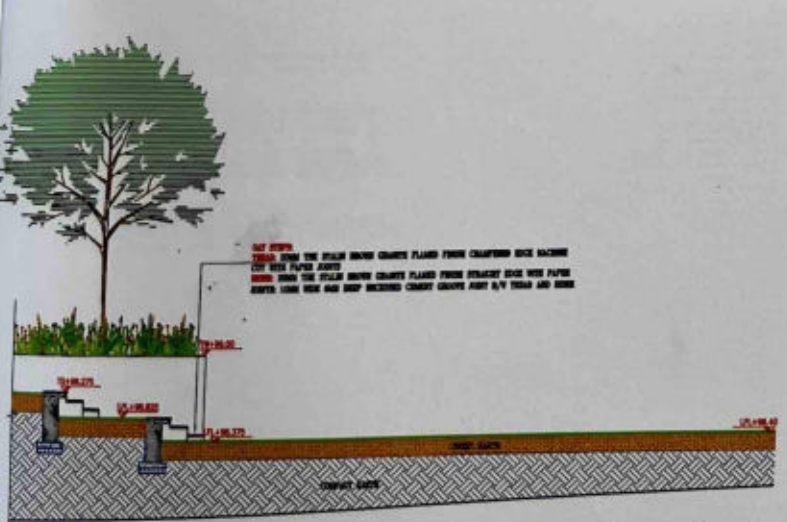

SITE CO-ORDINATION

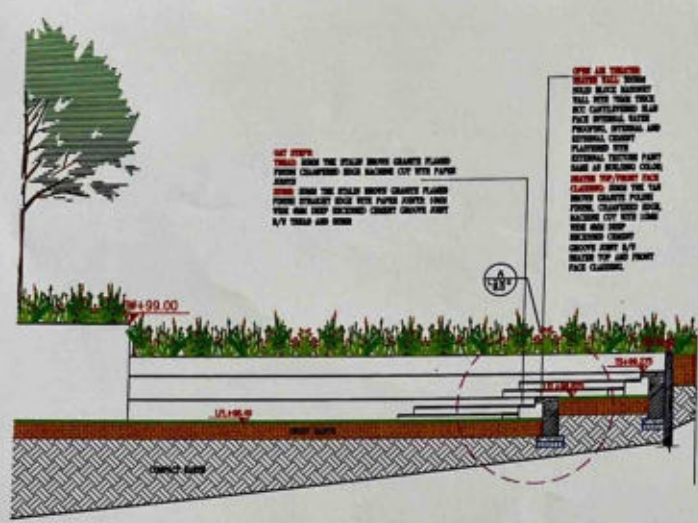

Dhruva shall inspect and comment on the construction methods and final product executed by the contractor, but would not be responsible for the construction and actual execution.
