DECLARATION

I, **A . Snow Dimpy Preethi**, by declaring that the Training Report **JUNE 2022 to NOVEMBER 2022** done by me under the guidance of **Ar.Ranjan Daniel** is submitted in partial fulfillment of the requirements for the completion of a practical training session.

DATE : 13.12.2022

PLACE : Chennai

SIGNATURE OF CANDIDATE

ACKNOWLEDGEMENT

I am pleased to acknowledge my sincere thanks to the Board **of Management of SATHYABAMA** for their kind encouragement in doing this practical training and for completing it successfully. I am grateful to them.

I convey my thanks to **Dr. Devyani Gangopadhyay**, Dean, School of Building and Environment and **Ar.Sarath Chandra Kanth**, Design Chair, Department of Architecture for having been a constant source of support and encouragement.

I wish to express my thanks to all Teaching and Non-teaching staff members of the Department who were helpful in many ways for the completion of the project.

I also wish to thank **Ar.RANJAN DANIEL**, for the experience of interning at their firm.

ABOUT THE FIRM

RANJAN DANIEL ARCHITECTS is a full service architectural design firm that has established itself through numerous diverse projects , both residential and commercial , locally and regionally.

The firm is known for its distinctive spaces . They are committed to designing buildings , spaces which are as striking and innovative as they are socially and economically responsible .They combine skills and technical maturity with a fresh questioning attitude and a hands on approach, and are constantly looking for related disciplines and new technologies that will help them to develop their design solutions to the optimum standard.

They strive to elegantly solve problems , exceed the expected and find opportunities within given limits. Each project is a unique challenge and a opportunity to develop the most dynamic and efficient response for their clients. The strength of their work is the direct result of the earnest and gratifying collaboration between their clients and Ranjan Daniel Architects.

D. Ranjan

CRITICAL OVERVIEW

As a intern in Ranjan Daniel Architects was a fabulous experience. I had a great learning with a talented team. They helped me to explore many things in a short span of time.

This internship training thought me the another perspective of Architecture apart from the things I learned in college. The daily interaction with the clients , engineers and the people at the site was entirely new and different. The entire internship was fully about gaining knowledge in various ways.
