Dear Srinivas,

Congratulations! I am pleased to offer you admission to Saint Louis University. You have been accepted to the **Master of Science in Computer Science (On-Campus)** for the **Fall 2023** term.

It is also my pleasure to award **\$5,500** as a Global Graduate Scholarship based on the overall strength of your application. The scholarship will be credited to your bill over four academic semesters starting in **Fall 2023**. In addition, you will also be eligible to receive a guaranteed on-campus job that will pay a minimum of **\$1,000 per year**. As a Global Graduate Scholar, you will be a leader in encouraging other students to embrace cross-cultural opportunities that provide a context for significant educational, professional, and personal insights.

Ready to begin your academic journey at SLU? It's simple. Here are your next steps:

1. **Confirm your enrollment:** To confirm your admissions spot and secure your scholarship award, please pay a non-refundable \$200 deposit within three weeks of receiving this letter. Deposit instructions can be found [here](#). As soon as you deposit, you will be placed on a priority list for on-campus jobs in the future and also be able to participate in earning additional scholarships.
2. **Request your I-20:** International students should request an I-20 as soon as possible because the visa process takes time. Please click [here](#) to learn more about the process and document requirements to apply.
