

School of Engineering & Applied Science

THE GEORGE WASHINGTON UNIVERSITY

February 9, 2023

Dear Phani Kumar Boddupalli

This letter supersedes all previously dated letters.

Congratulations! You have been deemed admissible to the M.S. in Computer Science in the Department of Computer Science at the George Washington University's School of Engineering and Applied Science.

You have an impressive record of accomplishments that clearly show you are capable of superior work in a rigorous graduate program. In addition to being culturally rich and diverse, the Washington, DC region is also one of the largest high technology centers in the United States. Your studies here will provide you with a wealth of opportunities and exposure to cutting-edge research and technology.

This offer of admission is for the Fall 2023 semester at the Main Campus. Please indicate your intent to enroll by clicking the Reply to Offer button below and visit [this page](#) for the next steps you should take as an admitted student. If you would like to defer your admission to a future semester, please complete [this form](#) to request a deferral. You should consult the [George Washington University Bulletin](#) for general rules and regulations regarding your program. The student identification number (GWID) that you have been assigned is G36830193.

To finalize your admission, you must also provide sufficient financial documentation in order for GW to create your I-20 or DS-2019 form, necessary to apply for your student visa. Click [here](#) for information about the financial requirements and other materials needed. Please email any outstanding documents to engineering@gwu.edu.

You are a recipient of the following award: You are a recipient of the SEAS Dean's Award which is a 50% tuition discount for each semester you are enrolled in good academic standing in your degree program. You will receive your official award letter by email soon.

You must submit official transcripts to the Office of Graduate Admissions upon your arrival to the university. Please [click here](#) to review our official transcript policy.

We look forward to having you join our student body. On behalf of the faculty and staff, welcome to the GW community!

Sincerely,

Dr. Timothy Wood
Associate Professor and Interim Chair

Other Important Information:

Your Area of Focus is Multimedia Animation Graphics and User Interfaces.

For information about your degree program and courses, please visit the department's [website](#). Questions about your academic program should be directed to seasgrad@gwu.edu.

Students with disabilities are encouraged to contact the University's [Disability Support Services](#) prior to or upon admission; there is no automatic referral from Admissions or other GW offices. Eligibility may be established at any time; however, students are expected to disclose their needs in a timely manner. The University has no legal obligation to recognize any student as having a disability, nor provide accommodations, until that student has established eligibility with this office.

Florida State University The Graduate School

Dear Phani Kumar Boddupalli,

Congratulations! On behalf of Florida State University, I am pleased to notify you of your admission to the Computer Science - MS program for the 2023 Fall term.

Your admission to graduate study marks the beginning of a rewarding learning experience in a specialty that you are passionate about. It is a time for the free exchange of ideas, acquisition of new skills, and the creation of new knowledge at a world-renowned university.

Florida State is in the Top 20 among national public universities in the *U.S. News & World Report* rankings, and is one of the nation's top institutions for faculty and student Fulbright Scholars. Florida State is also recognized by the Carnegie Commission on Higher Education as a leader in very high research activity – a designation given to only a limited number of public colleges and universities.

As a graduate student, working alongside accomplished faculty who will be your mentors and partners, you will challenge established notions and analyze current concepts while contributing to the discovery of new ideas.

Welcome to Florida State University! We are convinced that, together, we can make a difference.

Sincerely,

Dr. Mark Riley
Dean of The Graduate School

University Condition of Admission: Receipt of all official, final documents as listed on the checklist feature of the Application Status Check. Upon receipt of your final documents, we will verify any self-reported test scores you submitted as part of your application.

Residency Status: Non-Resident Alien (Non-USA) for tuition purposes.

EMPLID: 201067123

Entry Term: Fall 2023 (August-December)

Dear Phani Kumar Bodduaplli:

Congratulations! It is my pleasure to offer you admission to the Masters in Computer Science MS program at Missouri University of Science and Technology, one of the nation's premier technological research universities.

At Missouri S&T, we build upon our heritage of discovery, creativity and innovation to equip and inspire students to solve the world's challenges. Since 1870, we have graduated nearly 60,000 students who have achieved success in their careers. We receive thousands of applications each year and look for students who are a good fit for the technology-driven education we provide. Upon thorough review of your application to S&T, it is clear that you would be an excellent fit for our Masters in Computer Science MS program.

You have been admitted - the next step is now yours! As a high-caliber student, S&T is probably only one of many acceptances that you may have received. But we're confident that S&T is best aligned with your future. Our classrooms provide innovative instruction from leading faculty - many of them top researchers in the nation. Our career fairs give you access to the world's leading companies that can open up career opportunities of a lifetime. Our network of alumni and industry partners help our students find internships, understand where their field is going and learn what it takes to create an enterprise. The S&T experiences prepares you for a fulfilling life defined by the confidence to succeed, a desire to excel and a love of learning that never stops.

In order to accept this offer, you are required to make an enrollment deposit of \$300. You can make this payment by returning to your [status page](#). The payment link is located on your checklist. The enrollment deposit is an advanced tuition deposit that will be credited to your first tuition bill and is non-refundable. Payment of your enrollment deposit indicates that you are accepting the admission offer, and that you wish for us to proceed with next steps, including review of your documents for I-20/DS-2019 issuance, housing application, registration, and transportation accommodations.

Congratulations on your admission, and I look forward to welcoming you to our campus soon.

To respond to this offer of admission, please complete the [Admission Reply Form](#).

Sincerely,

A handwritten signature in black ink that reads "David Spivey".

David Spivey
Interim Vice Provost for Enrollment Management

MISSOURI UNIVERSITY OF SCIENCE AND TECHNOLOGY

Graduate Program Requirements for Accepted Students

You will be assigned a faculty advisor upon your arrival to campus. Your department's coordinator can be reached on our [graduate staff website](#).

Please note that any pre-requisite course requirements will be made in consultation with your advisor during orientation and registration. When you arrive on-campus, you must submit your final, official, undergraduate transcript. This transcript must reflect degree earned and data that it was awarded.

As a graduate student at S&T, you will be subject to the academic standards, requirements and program content in the Graduate Catalog in effect for the term in which you first register.
