India

Dear Sai Kiran,

We are pleased to inform you that you have been admitted to the Computer Science (M.S.) program at Colorado State University for the Fall 2023 semester. Congratulations! Our graduate programs are recognized world-wide, and an attitude of excitement and optimism is pervasive. We hope you choose to join our CSU community.

Review the [next steps to starting your graduate studies](#) to ensure you are ready to register and attend classes. You should create your eID at eid.colostate.edu using your CSU ID (836642367). You will be provided a new, or you may use an existing, @colostate.edu email address when you create your eID. Be sure to access this email account after you create your eID as all official communications from the University will start being sent to your @colostate.edu email address.

If you choose to attend CSU, the following conditions must be met before you complete your first semester. Your post-admission checklist has been updated to reflect conditions as appropriate. Failure to meet these conditions may result in your dismissal from the Graduate School.

- Submit official transcripts showing the Bachelor's degree has been awarded.
- Submit official diploma showing the Bachelor's degree has been awarded.

Submit official documents to: Colorado State University - Graduate School
1005 Campus Delivery
Fort Collins, CO 80523-1005

*If you have questions, please contact the department representative at:
compsci_gradprospective@colostate.edu.*

We look forward to welcoming you to Colorado State University and wish you success in the pursuit of your educational goals.

Sonia Kreidenweis, Ph.D.
Interim Dean, Graduate School
Colorado State University
