Dear Srivamsi,

We are glad you have chosen to pursue the Master's Computer Science (MS) (Main Clemson Campus) degree at Clemson University! You will be receiving more information in the days ahead to assist you with the next steps as a new student.

This email is intended to provide more detail about the **provisional admission** status. As a new Clemson University student with **provisional admission**, the following information is important:

1. Provisional Admission means you were admitted based upon unofficial or partial transcripts.
2. This type of admission **does not** prevent you from registering for classes for your first semester.
3. Now that you are admitted, you are required to provide your final official transcripts of your bachelor's and any subsequent degrees. Final official transcripts should:
  - be sent to us from your institution(s) (hard-copy or electronically).
  - be in a sealed envelope (for hard copies).
  - include the title of the degree earned and date awarded, along with the list of courses taken and grades earned.
  - be in English.
  - be requested *after* the graduation date and degree awarded information has been added.

Final official transcripts should be submitted **before or during your first term of enrollment**. A **registration hold** will be placed on your record if we have

not received your final official transcripts prior to the opening of registration for your 2nd semester.

If you have hard copies, rather than mailing them, bring them with you and submit them during your first term of study. You may drop transcripts off through the secure drop-box outside our office or contact us to make an appointment to submit transcripts in-person to a graduate admissions staff member.

#### **For Transcripts from US Institutions:**

Final official electronic transcripts can be sent directly from your institution to [gstranscripts@clemson.edu](mailto:gstranscripts@clemson.edu) or you can choose "Clemson University Graduate School" from the list of school choices.

#### **For Transcripts from International Institutions:**

If you have submitted final official transcripts, which do not clearly state the **degree earned** and **date awarded**, we also need a copy of your final (or provisional) certificate or diploma which contains this information.

It is recommended that you obtain your final-official transcripts before leaving for the US.

If a final degree certificate is not available during your first semester, we will accept a *provisional degree* certificate.

#### **Hard copies from your institution(s) may be mailed to:**

The Office of Graduate Admissions

Clemson University

209 E-Martin Hall

Clemson, SC 29634

If you have already sent in your final official transcripts, please do not re-send them. You will receive an email notification confirming the receipt of your final official transcripts and the change in your status to fully admitted.
