Dear Vamsi,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University at the West Lafayette campus. I am delighted to welcome you to a community of more than 12,000 graduate students on our four campuses who come to us from every state in the Union and from 117 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about programs and opportunities at our four campuses.

Thank you for [choosing Purdue](#) and joining us in the persistent pursuit of the next giant leap.

[Click here](#) for instructions for submitting your response to the offer of admission.

With best wishes for success at Purdue,

Dr. Linda Mason
Dean of the Graduate School and Professor of Entomology
Young Hall 170
Purdue University

Admission Information Sheet for Vamsi Seemakurthi**PUID:** 0036534182**Term/Year:** Summer 2023**Campus:** Purdue West Lafayette (PWL)**Residency Classification:** International**Graduate Major:** Business Analytics and Information Management**Degree Objective:** Master of Science (MS)**Concentration:****Course Delivery:** Residential**Academic Advisor:** To Be Assigned**Condition(s) of Continued Enrollment**

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final official undergraduate transcript. For additional information on how to submit official transcripts, please visit the [Submitting Transcripts Web page](#). This condition must be satisfied before you will be permitted to register for sessions beyond your second session.

You must submit to the Graduate School office (Young Hall, Room 170) your original official undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your second session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

The program in which you have been admitted is a professional graduate program. The University DOES NOT permit students enrolled in a professional graduate program in any modality (residential, hybrid or online) to receive any fee remission associated with graduate staff appointments (Graduate Research Assistant, Graduate Teaching Assistant, Graduate Professional, etc.) or to receive graduate tuition scholarships associated with Purdue fellowships. Further, this program is not eligible for discounts and fee remissions for faculty, staff and staff dependents.

General Information

Accept Your Offer of Admission: To accept an offer of admission, you must activate your online student career account. You will need your PUID which is provided in this letter and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access <https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. After activating your account, you will gain access to your myPurdue online portal, through which you can accept your offer of admission.

If you were previously admitted or enrolled as a Purdue student, please contact ITaP customer service at 765-494-4000 to request a career account password reset.

You may be prompted to set up a Boilerkey (two-factor authentication), but you have 7 months to set this up to login to systems such as myPurdue. For more information about Boilerkey, please see this [Boilerkey FAQ](#) page.

What is myPurdue? www.mypurdue.purdue.edu is the portal system where you must accept your offer of admission. You must submit your enrollment acceptance in the MyPurdue portal to create your general student record for course registration. You will need your career account login and password to log in to myPurdue. Some of the benefits of myPurdue include:

- Online course registration in real time
- Online credit card payment for tuition
- Access to your academic and financial aid information
- Access to review and update your personal information such as emergency contacts, mailing address, email, ethnicity/race, and gender identity

Information Technology Services: For information about Purdue electronic services such as setting up your Purdue email account, WiFi access, software for classes, or computer labs visit <https://www.itap.purdue.edu/services/new-to-purdue.html>

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue your visa eligibility document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), using the

[myISS](#) portal. Access is granted to the myISS portal within three business days from accepting your offer of admission. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before visa eligibility document(s) will be prepared and shipped.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold valid F-1 or J-1 status and are transferring your SEVIS record to Purdue University from another US Institution, our office will advise you on how to complete your SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation website: <http://tutorial.ace-in-testing.com/Default.aspx?p=videos>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: To learn more about housing and relocation, visit <https://www.purdue.edu/gradschool/admitted/housing-and-relocation/housing.html> and <https://www.purdue.edu/gradschool/admitted/housing-and-relocation/community.html> for information about the Greater Lafayette Community.

Student Health Center: Completion of an immunization information form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSH/>.

Housing: Purdue University does not offer housing for graduate students. For information about housing options near campus, please visit the Dean of Student's off-campus housing website at <https://offcampushousing.purdue.edu>

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend an orientation for new graduate students on Friday, August 18, 2023, beginning at 8:30 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Questions? Please direct them to your graduate program.
