Dear Sai Krishna,

Congratulations! I am delighted to officially inform you of your admission to the Computer Science program in the College of Arts and Sciences as a Masters student starting in the Fall 2023 term. I trust that you will view this offer of admission as recognition of your accomplishments and as a vote of confidence in your potential for success in graduate school.

We sincerely hope you will choose Kent State to pursue your graduate education. Please accept the offer of admission by completing the [Admissions Reply Form](#) in your application portal.

As a graduate student at Kent State University, you will need to access our university portal, FlashLine, to enroll. You will receive an email with your Flashline login credentials and instructions to establish your Kent State University account.

If you have questions or need clarification about this offer, please contact your program directly. Graduate Coordinator and department contact information can be found on the [Graduate Programs](#) table hosted by [Graduate Admissions](#). If you have any problems or questions that the program cannot assist you with, do not hesitate to contact Graduate Admissions at gradapps@kent.edu or 330-672-2444. The graduate school is here to provide assistance with the administrative requirements of your graduate studies as well as to support your professional development.

Sincerely,

A handwritten signature in black ink that reads "Manfred van Dulmen".
