Dear Sri Vamsi:

Congratulations on your acceptance as a graduate student at Lamar University. Please note your Lamar Student ID number, listed above. The student ID number assigned to you is not a United States social security number. It is used as an identification number at Lamar University only.

The Office of International Student Services will be sending you an email with instructions for submitting your financial statement and information about immigration requirements and regulations. If you reside outside the U.S., you must apply for a student visa to enter the U.S. After you submit your financial statement to the International Student Services Office, the appropriate immigration document (I-20 or DS-2019) will be sent to you. The email you receive from International Student Services will also include important information about orientation, registration and reporting dates. For questions about any of this information, please contact the Office of International Student Services at: international@lamar.edu.

Students who are admitted pending a bachelor's or master's degree must submit proof of their conferred degree during their first semester at Lamar University. Please send us an official college transcript with your degree conferred; students with degrees from international universities must submit an official, course-by-course evaluation with a GPA which lists the equivalent US degree conferred.

Should you have questions about your initial application, or need to change your major, biographical information or entry date, please contact us at: gradmissions@lamar.edu. You may always view your admission status at: www.lamar.edu/admissions-status.

Again, best wishes and congratulations!

Sincerely,

Hanna Deland
Director of Admissions
