Dear Spandana,

The faculty of the Computer Engineering, Master of Science program have reviewed all your materials for admission to University of Cincinnati. During the review of your application and materials, the faculty determined that they would like to instead make you an offer of admission to the Computer Engineering, Master of Engineering program as they believe it will be a better fit for you.

You will receive an update and formal acceptance letter to the Computer Engineering, Master of Engineering program within the next few days. A new application will be created for you and the offer of admission placed on that application. Please select the Computer Engineering, Master of Engineering program from the application dropdown on your Application Status Page when you are notified of an update to your application. This will allow you to view your acceptance letter.

Sincerely,

A handwritten signature in red ink that reads 'Jack Miner'.

Jack Miner
Vice Provost for Enrollment Management
