Dear Venkata Sai Sritwik Sreekar,

We are delighted that you have been accepted into our Computer Science - MS program for the Fall 2023 term and would like to offer you a Dean's Merit Award in the amount of \$2500 per semester. The scholarship will continue for up to three semesters for programs with 30 credits and up to four semesters for programs over 30 credits. Your tuition scholarship will be applied towards your Fall and Spring terms, it is not applicable for the Summer or Winter terms. This award can be used to support tuition credits and cannot be used to cover any university fees (<https://www.albany.edu/studentaccounts/tuition.php>).

In order to maintain the award, you must be enrolled as a full-time student, which is defined as 9 graduate credits and maintain a satisfactory academic record, which is defined specifically by each program, but typically involves maintaining a cumulative 3.0 GPA. Your admission and funding offer requires the submission of an official transcript indicating the award of a bachelor's degree.

In order to receive this award, you must accept the scholarship using this **form** (<https://admissions.albany.edu/register/funding2020>) as soon as possible, but no later than **April 15, 2023**. In addition to your admission letter, please be sure to respond to this funding offer. Please be aware that accepting this tuition scholarship award may affect the amount of federal loans you are eligible for. For

additional information regarding graduate assistant and tuition scholarship policies and procedures, please visit our **Funding Graduate Studies** (<http://www.albany.edu/graduate/assistantships-scholarships.php>) page. Feel free to reach out to Tara Curley, the Director of Finance and Administration for the Graduate School at tcurley@albany.edu with any questions or concerns. Thank you.

Sincerely,

Kevin Williams, Ph.D.

Vice Provost and Dean of The Graduate School
