DLI#: O19440995346
Date of Birth: 2002/06/23

Dear Nikhil Sai Bellamkonda:

Subject to the terms set out in the University Calendar, we are very pleased to inform you that you have been accepted into the Master of Applied Science (Computer Engineering) program in the School of Graduate Studies to commence at the beginning of 2023-2024 Fall semester. A copy of the form outlining your program of study is enclosed for your information. The normal duration for our graduate diploma programs is one year, one to two years for master's programs, and four years for our doctoral programs. For information on graduate program fees, please refer to the School of Graduate Studies Minimum Expense form which is available on our website at www.mun.ca/sgs/newstudents.

Classes begin the first week of September 2023. If you are unable to commence your program at the indicated time, you may wish to contact the Head of your academic unit to request a deferral. The last date to register for each semester is two (2) weeks after the start of classes.

Please complete and return the ACCEPT/DECLINE form available from our website (www.mun.ca/sgs/newstudents) as soon as possible to hold your place in the graduate program. On that same website, you will also find information on how and when to register. You will need to set up and monitor your @mun.ca account through my.mun.ca. We also strongly encourage you to update your personal information (e.g., mailing address) through Memorial Self-Service.

We invite you to visit our website for new graduate students at www.mun.ca/sgs/newstudents and encourage you to follow the instructions online to commence your graduate program. If you have any questions, please do not hesitate to contact either a member of our staff at the School of Graduate Studies, your supervisor/advisor, or the Head of your academic unit.

We would like to take this opportunity to wish you much success in your program of study at Memorial University.

Sincerely,

A handwritten signature in grey ink, appearing to read "Andrew Kim", with a horizontal line extending to the right.

Andrew Kim
Director, Graduate Enrolment Services
