

Dear Mr. Mallapu,

After careful consideration, the Admission Committee at Offenburg University of Applied Sciences has reached the decision to admit you to the international M.Sc. Biotechnology (MBT) for the coming winter semester, [2023/24](#). Congratulations!

Your admission is provisional as you uploaded the Bachelor's Degree certificate and the transcript of marks. The admission will be finalized after you presented following documents at the time of enrollment (in October 2023)

- **Original** Bachelor's degree certificate (in translation if original is not in English or German)
- **Original** transcripts of records (translated into English or German)

You can download your provisional admission documents from the application platform HISinOne. Please apply for enrollment immediately, download the **German form "Antrag auf Immatrikulation"** and submit the signed form **by 5th June 2023** via email to mbt@hs-offenburg.de.

During the online enrollment, you need to provide information about health insurance.

If you already have a European health insurance, please tick the box "liable to health insurance" and provide the necessary information. If you do not have a valid health insurance in Germany yet, please tick the box "exempted" – please note that this does not mean that you do not need a health insurance when you study in Germany. At the time of personal enrollment in Offenburg you have to present the proof of a valid student health insurance.

For our further planning, we ask you to inform us whether you accept your admission and plan to join the program this fall. It suffices to do this with an informal email as soon as possible.

This admission will only be effective if the payment of
