Congratulations, Charan Teja, you have been admitted to Illinois State University!

I am pleased to inform you that the committee for admission to the Graduate School has approved your application. As a student at Illinois State, you will enjoy an educational experience in which expert faculty will work closely with you to achieve your academic goals.

You have been admitted into the Computer Science program for Fall 2023. Your next steps to becoming a Redbird require access to your admitted student portal. To begin, you must activate your account at IllinoisState.edu/Activate.

You will need your University ID: 809648847

Once your account is active, please visit My.IllinoisState.edu to view the information needed to complete your admission file.

You will find everything you need to know about enrolling at Illinois State in your admission packet. You will also be receiving additional information from the Office of International Engagement regarding housing, transportation, and immigration.

In addition, you will want to contact your graduate program coordinator to get additional information about academic requirements, course registration, and other important steps to enrollment. You can find contact information for your graduate program coordinator at IllinoisState.edu/GraduateCoordinators.

Charan Teja, you should be very proud of your accomplishments. I am confident that you will continue your academic success, pursue your passions, and accomplish great things as an Illinois State Redbird!

Sincerely,

Kayla Carroll
Director of International Admissions
