Dear Ms * Angel Alisha

DETAILS OF CONFIRMATION OF ACCEPTANCE FOR STUDIES (CAS)

CAS Number: E4G80H1K54I0M1

Please carefully review your personal and programme details below which we have uploaded to the UK Visa and Immigration (UKVI) system to produce your CAS. When you apply for your Student Visa you will require this information to help you complete your application. **It is your responsibility to review that all details in the below CAS are correct before applying for your Student Visa.** If any details are incorrect, please immediately notify us via the [online enquiry form](#), choosing Category 'CAS' and Sub-category 'Update/error' – please await your updated CAS before submitting your application for Student Visa.

Additional Fee Payments

Please note that the CAS details below provide an overview of the payments that you have made towards your tuition or accommodation fees up to the date you approved your CAS details. We strongly recommend that you do not make any further payments until you have received your Student Visa. If you must make a payment, including admissions or accommodation deposits, or to meet the visa financial requirements, then we will NOT update your CAS but instead you

can include copies of receipts with your visa application. We are unable to make amendments to your CAS to show the additional funds that you have paid, and do not want you to risk a visa refusal.

Start Date, Enrolment, Latest arrival in the UK and CAS Expiry

Please see <https://www.gla.ac.uk/postgraduate/dates/> for more detailed information on your programme start date, latest enrolment and arrival in Glasgow.

Your CAS is valid for 6 months after it is assigned to you. Following this date it will expire and you cannot use it to apply for your visa.

How to Apply for Your Student Visa

More information about applying for a student visa is available at:

Applying inside the UK:

<https://www.gla.ac.uk/international/support/visasandimmigration/applyingforastudentvisainsidetheuk/>

Applying outside the UK:

<https://www.gla.ac.uk/international/support/visasandimmigration/applyingforastudentvisaoutsidetheuk/>

If you are granted leave to enter the UK for more than six months, you will be given a temporary 30 or 90 day Entry Clearance vignette/sticker in your passport. You will have to collect your Biometric Residence Permit (BRP) before your vignette expiry date, or within 10 days of your arrival in the UK (whichever is later). The BRP must cover the full duration of your studies. When completing your visa application you can request that your BRP is sent to the University of Glasgow for collection by using the University's ACL code (2HE499). If you do not enter this code, your BRP will be sent to a Post Office for you to collect. If you have family members travelling with you as your dependents, they can also use this code. You would bring their passports with you in order to collect their BRPs. You can read more about the BRP at:

www.gov.uk/government/publications/biometric-residence-permits-overseas-applicant-and-sponsor-information and www.gla.ac.uk/services/registry/tier4/brp

The ACL code for the University of Glasgow Main Campus is: 2HE499
