Dear Vidhyagar,

Congratulations! On behalf of DePaul University's Jarvis College of Computing and Digital Media (CDM) faculty and staff, it is my pleasure to welcome you as a Master's Degree candidate in the Health Informatics program for the Winter 2024 quarter. This is your first step in becoming part of an ever-growing network of highly talented and respected professionals in Chicago, the Midwest and around the world.

Please note your DePaul ID Number is **2185544**; you will need this number as you conduct university business.

We look forward to your acceptance of admission and intent to enroll at DePaul University. CDM must receive and process your form before you will be permitted to register for courses. Please complete the [Intent to Enroll form](#) to reply to your offer of admission by **November 15, 2023**.

Once again, on behalf of our faculty and staff, I congratulate you on your admission and look forward to you joining our highly talented and skilled student body. The benefits of the entire university are open to you and I encourage you to take full advantage of them.

Sincerely,

Ann Hurley, MA
Director of Graduate Admission

Introductory Course Information

September 18, 2023

Vidhyagar Balasubramanian,

As a Health Informatics Master's Degree candidate, the following introductory course is required at the beginning of your program:

- IT 403: Statistics and Data Analysis

One or more Introductory Courses may be waived based on completion of equivalent academic course work.

Upon submission of the Intent to Enroll form, which can be completed at grad.depaul.edu/apply/status admissions will initiate the process to have your transcripts reviewed for course equivalency and approval for Introductory Course waivers. You will be notified if you have previous coursework that is acceptable for waivers.

If you feel you have sufficient knowledge in one or more of the introductory courses indicated above that is not waived, you may consider applying to take a Graduate Assessment Exam (GAE). We encourage you to review a description of material covered in each course at cdm.depaul.edu/gae prior to registering to take a GAE. All GAE exams are held to the same DePaul Academic Integrity policies, procedures and resources as outlined: <https://offices.depaul.edu/academic-affairs/faculty-resources/academic-integrity/Pages/default.aspx>. Otherwise, it is your responsibility to enroll in and pass the introductory course with the grade required by your degree program.

Please note: This is the introductory course required in the 2023-2024 academic year. Updated course requirements can be found at <http://www.cdm.depaul.edu/academics>. DePaul University Jarvis College of Computing and Digital Media is on a rolling admission basis and introductory courses could change before you begin your first quarter.

[Academic Integrity and Plagiarism](#)

The Graduate Assessment Exam is subject to the university's academic integrity policy. All students are expected to abide by the University's

Academic Integrity Policy which prohibits cheating and other misconduct in student work. Publicly sharing or posting online any current exam questions or answers is considered to be providing unauthorized assistance prohibited by the policy. Use of outside materials is also prohibited. Both students who share/post and students who access or use such materials are considered to be cheating under the Policy and will be subject to sanctions for violations of Academic Integrity. You will automatically fail this Graduate Assessment Exam. You acknowledge and agree to abide by this policy by taking this exam.
