

Dear Gopi Chilukuri,

Congratulations! We are pleased to notify you that have been **accepted** into the University of Bridgeport's Computer Science (M.S.) program. We are delighted to accept a student of your ability into our university. Well done on this achievement!

At this time, we would like to begin the process for issuing your I-20. Please log in to your **application portal online** and submit the following documents:

**Affidavit of Support / Financial Statement for Intl Student Form
Official Bank Statement**

Note the following:

- Bank statements (from checking or savings accounts) must be signed, stamped, and dated within the last six months by a bank official; they cannot be expired at the time an I-20 is issued.
