Dear Hima Vamsi Krishna,

We are pleased to inform you that you have been admitted to the Graduate College for the Fall 2023 semester as a student in the Business Analytics program. This letter is your official notice of admission.

This notice of admission is valid only for the Fall 2023 semester, requiring initial enrollment during this term.

For tuition assessment, you have been classified as International on the basis of currently available information. You have been assigned a University ID Number (UIN) and an Activation Code in order to access your student record. Please treat this ID information as confidential. Your UIN is 668750843 and your Activation Code is 90863547.

You have been admitted on Limited Status. An explanation of your status follows:

You have been admitted to the Graduate College on Limited Status because of an English deficiency. You are required to take the ESL Placement Test (EPT). This test is given by the Department of Linguistics. The results of this exam will determine whether you will be required to enroll in English as a Second Language course(s), which may reduce the number of academic courses you will be allowed to take. Please note that test results must be available before course registration is allowed. The conditions of this Limited Status admission, including passing all required English as a Second Language coursework, must be met in order for your degree to be awarded. Please contact your program office for specific information regarding this condition of admission. Information regarding the ESL Placement Test (EPT) requirement, including contact information and online registration, may be found at <http://www.linguistics.illinois.edu/students/placement/>.

To complete your admission, you must submit final, official academic credentials from the institution(s) below within one month of the start of the semester to the Graduate College:

- Sathyabama Institute of Science and Technology

Please review our [Admitted Student Final Credential Requirements](#) for specifics on the documents needed to satisfy the conditions of your admission, as well as methods of submitting these credentials to the Graduate College. You will not be allowed to register for subsequent semesters until all required documents have been received. Please note that if you have already provided these final, official academic credentials to your department office, the department will work with the Graduate College to clear these conditions of your admission.

All students are required to complete immunization requirements and submit immunization history forms in order to enroll at Illinois. A complete list of required forms, deadlines and optional forms are available at <http://www.mckinley.illinois.edu/general/admission.htm>.

Housing information is available at www.housing.illinois.edu or you may request information by e-mailing the University Housing Office at housing@illinois.edu.

We look forward to receiving your [admission acceptance decision](#) and invite you to review our [Quick Guide](#) for new student information including University IDs, passwords, e-mail and registration.

In closing, I commend you on your previous academic achievements and congratulate you on your admission to the University of Illinois at Urbana-Champaign. Best wishes for continued success in your chosen field.

Sincerely,
