

Welcome to Missouri State University Graduate College

Congratulations Praggya! We are pleased to inform you that you have been admitted to the Master of Science in Computer Science program at Missouri State University for the Fall 2023 semester. You also are admitted into the MSU Graduate College, which makes you eligible for benefits such as research support and travel funding. You can learn more about responsibilities and resources at <http://graduate.missouristate.edu/currentstudents/>

Your Missouri State University student number (also known as your “BearPass Number”) is M03543484. Keep and remember your BearPass Number, as you may be asked for it when conducting business with the University. It will also be needed to create a Missouri State University student account. You will create a User ID and password to access your My Missouri State portal. You will need to go online to [Account Management Home](#) and follow the link to create your user account.

An advisor has been assigned to you for guidance to plan your studies as you complete your degree. You will be required to reach out to your advisor every semester before registration. You can find the name of your advisor in your My Missouri State portal: Registration tab > My Student Records > Advising Notes

Depending on your intent, additional immigration documentation and process will only initiate once you have submitted all required documents based on your admission classification. Please visit <https://international.missouristate.edu/Services/IntlGradApp.htm> to review international graduate application checklist.

You may email additional required documents, including financials, to: internationaldocuments@missouristate.edu.

If you are transferring from a U.S. institution, please complete Transfer Recommendation Form: https://international.missouristate.edu/Assets/internationalservices/Transfer_IN_Recommendation_Form.pdf

Please refer to the New Graduate Student Checklist for taking the first steps to prepare you for your first semester as a graduate student at Missouri State University. <https://graduate.missouristate.edu/currentstudents/NewStudentChecklist.htm>

If you have not done so already, please request that a final official copy of your transcript confirming your bachelor’s or master’s degree be sent to Missouri State University Graduate College Admissions showing that you have been awarded the appropriate degree as required for your program. (i.e. bachelors or masters). If we have yet to receive your official final transcript, your admission status will remain “pending” until the Graduate College has received the final official transcript showing your degree conferred. A hold may be placed on your account preventing registration for your next term if not received. Student’s receiving their degree(s) from Missouri State University are exempt from this requirement.

Your Transcript Status: **Admitted – Final Transcript Needed**

Welcome to the Missouri State University graduate community. If you have any questions, please do not hesitate to call the Graduate College at (417) 836-5331.

Sincerely,

Julie Masterson
Associate Provost and
Dean of the Graduate College
