| <b>Terms and Conditions</b>   | tees.ac.uk/terms2023-24<br>This offer and enrolment on to your course is subject to the University's terms and conditions.<br>Please read these carefully. |

The University offers scholarships for international students every year. Further information is available at <https://tees.ac.uk/sections/international/scholarships.cfm>. Applicants who are awarded a scholarship will have details included on their Unconditional Offer letter, once copies of qualifications have been received.

### **Important Information About Your Conditional Offer**

You have a statutory right to cancel within 14 days of accepting your offer. To exercise this right, you must inform the University of your decision by a clear statement (e.g. an email or a letter). Please refer to clause 3.5 of the terms and conditions for further information on your right to cancel.

This conditional offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, not withstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

Once you are issued with an unconditional offer, if you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you will be required to provide this evidence to the International Admissions and Compliance Team before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check [tees.ac.uk/international/immigration](https://tees.ac.uk/international/immigration) for guidance on the University's process for assigning a CAS.
