Dear Sudheepa,

Congratulations! I am pleased to offer you admission to Saint Louis University. You have been accepted to the **Master of Science in Computer Science (On-Campus)** for the **Fall 2023** term.

It is also my pleasure to award **\$5,000** as a Global Graduate Scholarship based on the overall strength of your application. The scholarship will be credited to your bill over four academic semesters starting in **Fall 2023**. In addition, you will also be eligible to receive a guaranteed on-campus job that will pay a minimum of **\$1,000 per year**. As a Global Graduate Scholar, you will be a leader in encouraging other students to embrace cross-cultural opportunities that provide a context for significant educational, professional, and personal insights.

Ready to begin your academic journey at SLU? It's simple. Here are your next steps:

1. **Confirm your enrollment:** To confirm your admissions spot and secure your scholarship award, please pay a non-refundable \$200 deposit within three weeks of receiving this letter. Deposit instructions can be found [here](#). As soon as you deposit, you will be placed on a priority list for on-campus jobs in the future and also be able to participate in earning additional scholarships.
2. **Request your I-20:** International students should request an I-20 as soon as possible because the visa process takes time. Please click [here](#) to learn more about the process and document requirements to apply.

If you have any questions, please feel free to contact us at globalgrad@slu.edu. Look forward to welcoming you to Saint Louis University!

Best Wishes,

Kathleen Davis

Kathleen Davis

Vice President of Enrollment

PS: SLU believes in empowering you. If you would like to have career-connected learning and be future-ready while earning more scholarships, you can engage with us through our SLU EXP program. This will help you enhance your existing skills, equip you with helpful information before coming to the university, and will make you more confident towards your next steps. Sign-up [here](#) through the Excelerate platform to see all the available opportunities you can participate in. To learn more about excelerate, click [here](#).
