Deposit Steps

Dear Sesha Sai,

Congratulations! I am pleased to offer you admission to Saint Louis University. You have been accepted to the **Master of Science in Computer Science (On-Campus)** for the **Fall 2023** term.

It is also my pleasure to award \$4,000 as a Global Graduate Scholarship based on the overall strength of your application. The scholarship will be credited to your bill over four academic semesters starting in **Fall 2023**. In addition, you will also be eligible to receive a guaranteed on-campus job that will pay a minimum of **\$1,000 per year**. As a Global Graduate Scholar, you will be a leader in encouraging other students to embrace cross-cultural opportunities that provide a context for significant educational, professional, and personal insights.

Ready to begin your academic journey at SLU? It's simple. Here are your next steps:

1. **Confirm your enrollment:** To confirm your admission spot and secure your scholarship award, please submit a refundable \$200 deposit. Deposit instructions can be found on the QR. As soon as you deposit, you will be placed on a priority list for on-campus jobs in the future and also be able to participate in earning additional scholarships.
2. **Request your I-20:** International students should request an I-20 as soon as possible because the visa process takes time. Please click on the QR code to learn more about the process and document requirements to apply.
3. **Pay SEVIS Fee:** International students are required to fill the I-901 form and pay the SEVIS Fee to book their Visa appointment. As soon as you receive your I-20 from Saint Louis University, we suggest you pay the same using SLU's school code because the visa process takes time.

If you have any questions, please feel free to contact us at globalgrad@slu.edu. I look forward to welcoming you to Saint Louis University!

Best Wishes,

Kathleen Davis
