The registration to elective courses for the VII semester (2020-2024 batch) and V semester (2021-2025 batch) B. Tech Biotechnology students has been initiated. All the students are requested to inform their choice to their year coordinator and complete the registration on or before 23-05-2024. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.

The registration to elective courses for the IV Semester (2022-2025) B.Sc. Biotechnology students has been initiated. All the students are requested to inform their choice to their year coordinator and complete the registration on or before 20-12-2023. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.

LIST OF ELECTIVES (IV SEM -2022-2025)

1.	SBBA3001	Biopharmaceutical Technology
2.	SBBA3002	Human Physiology
3.	SBBA3003	Food Fermentation Techniques
4.	SBBA3004	Cancer Biology
5.	SBBA3005	Protein Engineering
6.	SBBA3006	Genomics and Proteomics
7.	SBBA3007	Marine Biotechnology
8.	SBBA3008	Entrepreneurial Biotechnology

The registration to elective courses for the IV Semester (2022-2025) B.Sc. Microbiology students has been initiated. All the students are requested to inform their choice to their year coordinator and complete the registration on or before 20-12-2023. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.

LIST OF ELECTIVES (IV SEM -2022-2025)

1.	SMBA3001	Advances in Microbiology
2.	SMBA3002	Biofertilizers and Biopesticides
3.	SMBA3003	Management of Human Microbial Diseases
4.	SMBA3004	Marine microbiology
5.	SMBA3005	Entrepreneurial Microbiology
6.	SMBA3006	Basics of Plant biotechnology
7.	SBBA3002	Human Physiology
8.	SBBA3003	Food Fermentation Techniques
9.	SBBA3009	Fundamentals of Nanobiotechnology
