TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Sasha Alfred Murray**, student having pursuing Second year LLB at Sathyabama Institute of Science and Technology has interned with our firm between 30th November 2023 to 4th January 2024.

In the course of his internship, he assisted us extensively in researching in intellectual property cases, caselaws, structuring arguments and attending briefings with Senior Counsels who were engaged to argue in the matter. He was also present in the course of the arguments before the Hon'ble Madras High Court and ably assisted us while arguments were presented in the Court. Given the technical nature of these cases, he also provided various insights on the actual working of the subject matter in dispute and did extensive online research to corroborate his findings.

I have personally found his to be very hardworking and enterprising. He has displayed a keen willingness to learn and absorb fairly complicated legal procedures and has impressed me with his grasp of court proceedings. Appreciation for his contribution has also been generous from the numerous Senior Counsels who have been engaged in the cases handled by us.

Best regards,

Yours sincerely,
