

BENGALURU NEURO CENTRE

Internship Training Certificate

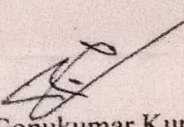

This is to certify that Ms. Haripriya M, a final year student pursuing an BSc in Psychology at Sathyabama Institute of Science and Technology, Chennai, Tamil Nadu, has successfully completed 45 days (September & October, 2023; 300 -hours) clinical/research internship training at the Neuropsychology and Psychiatry Units of the Bangalore Neuro Centre, Bengaluru.

During her internship, Ms. Haripriya actively participated in a wide range of activities and demonstrated exceptional skills and knowledge. She was responsible for conducting various assessments, including the Mini-Mental State Examination (MMSE), Neuropsychological assessments using the NIMHANS battery for both adults and children, Thematic Apperception Test (TAT) for child and adult versions, Vanderbilt ADHD Diagnostic Parent Rating Scale, assessments for ADD, ASD, Addenbrooke's Cognitive Examination, Child Behavior Checklist for Ages 6-18, Specific Learning Disability (SLD), Child Autism Rating Scale (CARS), and Sentence Completion Test (SCT).

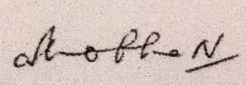

Furthermore, Ms. Haripriya received training in supervised counseling and therapy for children and adults, behavior therapy, relaxation therapy (JPMR), cognitive training activities for children, cognitive re-training and brain exercises for children and adults. She also actively observed other therapy sessions, including sessions employing Transactional Analysis. In addition, she gained valuable experience by observing EEG, VEP, and ENMG in the laboratory. Throughout the internship, Ms. Haripriya displayed exceptional understanding skills and maintained a self-motivated attitude towards learning new skills. She consistently demonstrated diligence and commitment as an intern and trainee. Her interest, initiative, and contributions to clinical sessions showcased her insight and knowledge in working with children with specific learning disabilities.

Moreover, Ms. Haripriya's personal attitude exudes confidence and compassion. She consistently surpassed expectations by going above and beyond in each session. Her warmth, engaging nature, and inclusive approach make her an exemplary individual who leads by example. She consistently exhibits curiosity and motivation to learn.

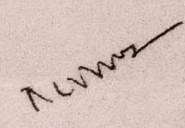

Ms. Haripriya is an extraordinary individual with the potential to excel in any field. She has exhibited sincerity, hard work, and a strong motivation to acquire new knowledge and skills. We extend our gratitude to her for her valuable contributions during her internship and wish her great success in all her future endeavors.
