INTERNSHIP CERTIFICATE

This is to certify that **Ms. V. Jessie Shapthika**, Student of School of Law, Sathyabama Institute of Science and Technology, worked as an intern with me from 01.12.2022 to 15.12.2022.

During her intern period she was enthusiastic and she was completing the tasks timely and prudently. I have found her as a teamplayer who is motivated, dutybound and hardworking. Her activities includes Research works, drafting legal opinions, Case analysis before the Civil courts, Criminal courts, Family courts and also in Madras High Court. She possesses sound knowledge of law and is also good at drafting legal documents and in carrying out research. She performed her duties and responsibilities cheerfully.

I wish her all the best for her future endeavours.
