CIRCULAR

10.12.2021

Ref: SIST/BTE/16/Elective/Even/2021-22

The online registration to elective courses for the IV semester B.Sc. Microbiology, B.Sc Biotechnology and B.Sc Biochemistry (2020-2023 batch) students has been initiated. All the students are requested to inform their choice to their year coordinator and complete the registration on or before 16-12-2021, 4.00PM. The details of the registration will be consolidated and the same would be sent to the students for confirmation. If any student requires a change in their selected course after the registration process, a request has to be raised by them to the Head of the Department. The students are requested to find the attached document with the list of elective courses.

- Students are requested to approach the respective course coordinator to get enough information about the course before registering for the course.
