Workshop on How to Develop Project to Product

Date: 25.09.2020

Venue: Department of Physics

The department of Physics organised a **workshop on How to Develop Project to Product** during 21st to 25th September, 2020 to benefit the Under graduate and Post graduate students of Physics. The resource persons were faculty members of Physics department. All the sessions were enriching as it included topics that will maximize their potential and deepen the educational content to a higher level.

The expected learning experience were:

- Innovative thinking methods
- Steps to materialize project to product

The program was greatly appreciated by the students and ended with a vote of thanks by the department head.
