To whomsoever it may concern

A part of the Academic requirement and the regulations of Sathyabama Institute of Science and Technology and the Council of Architecture, our student **Ahishek Das (37210001)** is required to undergo professional training from the month of January 2022, for a minimum span of 90 working days in his X semester. The training has to be done under a senior registered architect with minimum of 5 years of professional experience.

The student will have to submit a documentation report (supported with copies of work done by him, duly attested by the architect) of all the drawings and site related activities undertaken under the supervision of Principal architect at the end of training period to the institution. It is requested that **Ahishek Das (37210001)** may be given an opportunity to undergo training in your Architectural firm.

Kindly send an appointment letter to the undersigned stating that the student has been selected as a trainee architect in your esteemed office.

Thanking you

1.1 GENERAL :

I see this opportunity as a way to contribute to an exciting way towards Safco architects, which has different functioning projects in my hand, with my skills associated towards the same, as an enthusiastic intern. I believe we can have a best employment relationship.

I also feel that my skills are particularly well – suited to this position of an intern in this firm and I also have a scope to enhance, grow and gain knowledge especially on site.

I was also excited about the job opportunity, as it would allow me to gain knowledge on the Architectural details, Interiors, on site activities, Meeting with the clients and consultants on all the projects that they deal with and also an additional scope of learning about Acoustic design and lighting in different fields of Architecture.

1.2 ABOUT THE FIRM:

Safco Architects founded in 2012 by Ar.Modutty C.M, is a firm with creative concepts & excellent designs emphasizing energy efficiency. Safco architects is one of the leading business in the architects for landscape. Also known for Interior Designers, Architects, Interior Decorators, residence Interior Designers, Interior Designers for office and much more.

The practice concerns itself with contextually relevant design, understand the local condition and design a building which celebrates the spirit of the place and time with a contemporary approach.

Maintaining the commitment to excellence has rewarded us with long working relationships with many clients as well as recognition from both public and private sectors as reliable and accomplished architectural practice.
