## **1.1 GENERAL :**

Unknown architects was started in the year 2014 under the leadership of Ar.Mohana krishna, Ar.Pradeep Kumar, It has unique projects under its belt that gives an intern the opportunity to explore the various nuances of varied projects . This absence of limitation was one of the foremost reasons for my choice.

The firm believes in promoting creativity in complex projects which leads to unique solutions , which subsequently is an opportunity to present the best version of my ideas to the firm . The firm , though small in size has larger than life attitude towards innovation and problem solving. The work atmosphere and the work flow that took place in the firm was my cup of tea and hence I got to choose this firm.

## **1.2 ABOUT THE FIRM:**

UNKNOWN ARCHITECTS founded in 2015, is a strong team of like minded people led by Ar.Mohana Krishna and Ar.Pradeep Kumar, The team has completed over 100 plus projects across various verticals like residential, commercial and interiors with happy and delighted clients. The underlying theme to our design approach is thoughtful making of space.

We believe in the motto “The design speaks for itself”, Our approach to any project, be it small or big is to understand the client’s brief and provide innovative and holistic solutions which ensures maximum comfort and benefits and optimum utilisation of space. We believe in coming together with diverse ideas with multidisciplinary research for creating positive and fulfilling spaces. We understand the impression and influence of space in terms of its purpose, context and environmental impacts and designs meaningful spaces that stand the test of time.

The company has also received awards like Upcoming and Creative Architecture & Design of the year 2020 and also got published in “Arts Illustrated” magazine

The floor plan illustrates the layout of the security screening area. It includes a locker room on the left, followed by a wall counter, a glass panel, a floor counter, and a cash counter on the right. The layout is designed to facilitate the screening process while maintaining security and privacy.

A floor plan diagram of a laboratory. The room is rectangular with a door on the left wall. Along the top wall, there are four rectangular wall counters. From left to right, the first is labeled 'WALL COUNTER', followed by two unlabeled ones, and then a larger one labeled 'WALL COUNTER'. A staircase is located at the top center of the room. Along the bottom wall, there is a long rectangular floor counter labeled 'FLOOR COUNTER'. The right wall has a section with vertical hatching. The left wall has a door and a small window.

# BLUE FLASK

The floor plan illustrates the layout of a fast-food restaurant. Key areas and equipment include:

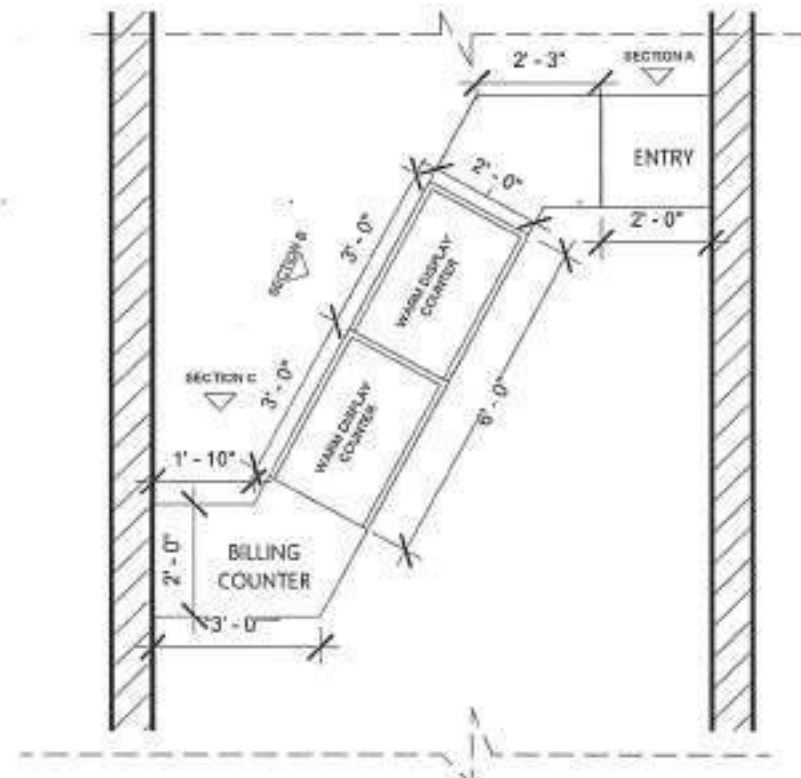

- CHILLER**: Located at the top left.
- PREPARATION COUNTER**: Located at the top right.
- BRANDING**: A rectangular area in the upper center.
- ENTRY**: The main entrance on the right side.
- STAFF AREA**: Located on the left side, adjacent to the chiller.
- WARM DISPLAY COUNTER**: Two counters located in the center, angled towards the right.
- BILLING COUNTER**: Located at the bottom left.
- CUSTOMER WAITING AREA**: A large open space on the right side.

Circulation is indicated by dashed lines with arrows, showing paths from the entry through the waiting area and around the service counters. A scale bar at the bottom indicates  $10' - 0"$ . A north arrow points upwards, and a label **STAIRS** is located at the bottom center.
