CERTIFICATE

We are glad to inform that Deepak Amarapalli from Satyabama institute of science and technology has successfully completed the internship program at Brahmastra Aerospace Systems from 20/09/2021 - 20/10/2021.

During the internship, the candidate was exposed to various activities and discussion in the internship division, the candidate also closely worked as a part of the Project trainee programme and the candidate successfully completed the role of project trainee entitled as Design and analysis of transonic transport wing at Brahmastra Aerospace Systems.

We found the candidate to be extremely inquisitive and hard working. The candidate was much interested in learning the functions of our core division and also willing to put best efforts to understand the subject and willing to work towards creative thinking. The candidate worked in various software and met the objectives of the project.

The candidate's association with us was very fruitful and we wish him all the best in his future endeavours.
