We are glad to inform that **Narahari Sai Sri Hari , 3rd year Mechanical** from **Sathyabama Institute of Science and Technology, Chennai** has successfully completed his internship at CAD design in 2D and 3D modelling in us from 10th July 2021 to 23rd October 2021.

During his internship, he was exposed to the various activities like AutoCAD, CATIA and other belonging tools.

We found him extremely inquisitive and hard working. He was very much interested to learn the functions of our core division and also willing to put his best efforts and get in to the depth of the subject to understand it better.

His association with us was very fruitful and we wish him all the best in his future endeavours.
