INTRODUCTION

Filmmaking (or, in any context, film production) is the process by which a film is made. Filmmaking involves a number of complex and discrete stages including an initial story, idea, or commission, through screen writing, casting, shooting, sound recording and pre-production, editing and screening the finished product before an audience that may result in a film release an exhibition. Filmmaking takes place in many places around the world in a range of economic, social, and political contexts, and using a variety of technologies and cinematic techniques.

MAJOR ACHEIVEMENTS

The Channel features Tamil Music from Kollywood .

Most of the shows in Sun Music requires call-in audience participation, where the callers speak to a video jockey and request songs that may be dedicated to their loved ones.

INSIGHTS AND LESSONS

During internship as an intern in content writing and assistant direction, I have learned many things from Sun Music .First I have learnt the most important thing patience which is important for making shows andtelecasting.

Our Channel Head Mr. Ganesh instructed me to how to work in live shows. I have learnt importants of callers to speak with video-jockey for requesting songs. Basically the songs gave the high TRP rating but in live shows the good caller can also give rating high. I also learnt how to work technically in live shows, they thought me more about those things. Live show program producer allow me to take calls and talk to the caller about the show and also instruct to video jockey in-between the show. I have learnt many things in that live shows , each and every day they wear different costumes and with different costumes to make the show better.

Next I worked with Mr. Pranesh in “Kadhaippoma” Show. In that I did some content creation and also art direction , assisting camera frames and recording . I have worked both preproduction and production work.

Next I worked with Mr. Vignesh, Producer of “CHAT BOX” and “Varutha Padatha Valibar Sangam” . It was a movie promotion show, movies which were waiting for release, that team will come and promote their movie. Our Show Producer Mr. Vignesh gave some ideas to create some segments and get more information about the celebrities. Some times debutant movie team also we took and get information about them for our shows. It was too good to search about them and also I learnt how to shoot the scenes and trim with a best cuts with his guidance.

WORK DESCRIPTION

As an Intern student in Sun Music I had observed and learned many things such as content creating, art direction, cinematography , editing , live shows and so on. Our Team assigned me to organize some works and follows.

- Coordinating with video-jockey , caller and producer in live shows.
- I had worked behind the live shows to gave content to the caller and also to the video-jockey .
- I had create content and segments for anti talks show.
- I did some field works to get some information about the celebrities.
- I had assist to work in shooting like coordinating with cinematographer, light man and art direction.
- I had worked in editing too, I had instruct to check the footages and order to cut and get approve from our producers.
- I had learnt how to create content and segments for a celebrities show.
- I had worked as an art direction and content creation in kadhaippoma show.
- I had learnt how to get content from upcoming talents for others.
- I had assist to work as an assistant for framing to cinematographers and audio recording for artist .
- I had learnt how to work for live shows and promotion shows like production ,pre production and post production .

CONCLUSION

Working as a content creator and assistant in a shows is actually for me a dream come true movement. During my internship I have learnt many things about content creating and production work in shows. That how to create content for shows and how to interact with caller for live shows. I love to work as a script writer and director that is the reason I chosen Visual communication department and selected Film Making (elective).

When I gone to Sun Music as an intern I have learned may things regarding content creator and director on tv shows and many things inspired me, got lot of experience. And also gained lots of skills.

Life skills such as moral and ethical values of the TV channels communication skills, creating different contents for audience, the unity through team discussion of upcoming programmes working through pressure, temperament and most importantly in which I have gained through this internship.

Through this internship I have been exposed to a work environment which I have been never be part of it earlier. It has helped me to build my personality and mindset to work with many people. I had gained lots of experiences during this internship.

DATE & TIME	DAILY WORK DESCRIPTION
15-FEB-2021, 10:00AM-7:00PM	SHOW : Live Shows (Varutha Padatha Valibar Sangam, Trending Box) First I had observed show producer work on live, how he talk to the callers and then our producer allowed me to attend the call and talk about the show to the caller, First time it was too difficult one because we have to play the song in that list, some callers will ask some songs and they changed their request to VJ , so that we have to handle it properly. repeatedly he asked me talk to the other callers about show. So that day I had learnt how to talk to the callers and also with VJ in-between the live.
16-FEB-2021, 10:00AM-7:00PM	SHOW : Live Shows (Varutha Padatha Valibar Sangam, Trending Box) I had worked again in live shows like they changed the concept for every single day and also the concept. So instead of that we have to talk different concepts to the callers for live. Regular caller would know that daily concept but sometimes new caller wants to know about the concept, after we conformed the caller may speak good in live then we allowed him to talk on live with VJ's . I had learnt new things on live for every single day.

17-FEB-2021, 10.00AM-7.00PM	SHOW : Live Shows (Varutha Padatha Valibar Sangam, Trending Box) Instead of I had working for VJ's and caller for the live shows, laterly I had learnt how he use the keys for live shows. totally two were working on behind the live one is show producer and online editor , our show producer helped me to learnt the keys to be used on live and also our editor had thought me to changing songs and ad and VJ's on screen while live is going on.
18-FEB-2021, 10.00AM-7.00PM	SHOW : Live Shows (Varutha Padatha Valibar Sangam, Trending Box) Last day I had learned lots of things about live, So that I had worked with those I had learned. I talk to the caller about the show and interact with VJ's and also go with the list of songs we have to play on live. And also some online editing techniques on live used.
19-FEB-2021, 10.00AM-7.00PM	SHOW : Live Shows (Varutha Padatha Valibar Sangam, Trending Box) I had learnt the entire work about the live shows. And also I worked with what I have learnt. This time I had worked with full fledged, I did the same thing correctly by the list and daily concept for the live shows.
