Dear Mr. L.Aranganathan,

We are pleased to inform you that your application, "**ILGPU400276: Colloidal organic humic acid from trash fish compost -A Low cost nitrogenous soil input**" to the University Challenge has been shortlisted in the Top 30 innovations under the DST-Lockheed Martin-Tata Trusts India Innovation Growth Programme 2.0.

As a next step, you are invited to participate in an "Innovators Tank" that will be held at IIT Bombay on 24th June, 2017. You will be given an opportunity to present your innovation to subject matter experts and the IIGP2.0 stakeholders. The presentation template that you need to use is attached with this mail. You are requested to adhere to the suggested format.

Please fill in the attached registration performa to confirm your participation at the Innovators Tank and send it to Ms. Divya Gajria at divya.gajria@ficci.com latest by 14th June, 2017.

Please note the following important points relating to the innovators tank:

- Presentation at this event is mandatory to go to the next level (if selected).
- IIT-Bombay Faculty Members will be in touch with the 30 shortlisted applicants to help them prepare for event. The shortlisted applicants will present their PPT to IITB Faculty a week before the event through skype. IITB team will then provide them feedback and help them prepare for the innovators tank event to be held at IIT Bombay.
- Final presentations will have to be sent latest by June 22 (5 PM). No changes to the presentation will be allowed afterwards. 15 minutes will be provided for presentation followed by Q&A.
- Maximum 3 persons per team can participate in the event.
- Outstation participants will be provided one night accommodation at IITB for June 23rd.
- Students should bring original ID proofs on 24th June to prove their student category.
- Venue for the event is 4th Floor, Victor Menezes Convention Centre, IIT Bombay.

For any further information, you may contact Ms. Eittee Gupta/Ms. Divya Gajria at eittee.gupta@ficci.com/divya.gajria@ficci.com. They can also be reached at +91 9810438092/+91 8585997913.

We look forward to seeing you at the innovators tank and wish you all the very best.

With warm regards,

IIGP2.0 Team
