

RECTOR

Dear Prof. Sekar Manigandan,

On behalf of Yildiz Technical University, I would like to formally invite you as a visiting scholar.

Prof. Dr. İbrahim Dinçer will be your faculty host during your time at Yildiz Technical University and will work with you as you engage in the activities at YTU.

During your time at YTU, the following support and resources will be made available to you: You will be provided with an office, computer and all the facilities granted to faculty members including invitations to our department meetings and seminars.

It is my understanding that you will provide your own funding to cover all the expenses of your stay at Yildiz Technical University, including health insurance for yourself and your accompanying dependents. Your return ticket and lunch ticket will be covered by Yildiz Technical University during your stay. You will be provided housing on campus by Yildiz Technical University during your stay. You will be paid on monthly basis in line with funding regulations of our university.

We look forward to welcoming you to Yildiz Technical University. I am certain that you will have a productive and rewarding experience and we will gain much from your presence on campus. Please feel free to contact me should you require any additional assistance.

Sincerely,

Prof. Dr. Tamer YILMAZ

Dear Mr,

OFFER FOR MOBILITY PROGRAM AT UNIVERSITI TEKNOLOGI MALAYSIA, JOHOR BAHRU, MALAYSIA

We are pleased to offer you admission in the following program:-

Program	:	UTM Research Internship
Status	:	Postgraduate
Duration	:	06 July 2022 - 06 December 2022 (6 Months)
Host Faculty	:	Faculty of Engineering
School	:	School of Civil Engineering
Program	:	PKAW3 - Doctor of Philosophy (Civil Engineering)
Academic Advisor/ Supervisor	:	Assoc. Prof. Ts. Dr. Abdul Rahman Bin Mohd. Sam
Fees	:	Refer to Annex 2
Additional Information	:	1. Due to Covid19, all international students are required to obtain a Visa Approval Letter (eVAL) by the Malaysian Immigration Department. To obtain the approval, students must apply via EMGS portal: https://visa.educationmalaysia.gov.my/customer/account/login/. 2. In regards to the 'Payment Method for the Student Pass Application Form (IM14) for Mobility and eVAL application', students are instructed to choose the Paid by student method. Any selection of payment methods other than those instructed may result in your application not being supported or rejected. 3. You must adhere to regulations including quarantine period at your own costs prior entering UTM. Permission to enter Malaysia remains strictly at the discretion of the Malaysian Immigration Department. 4. Quarantine location will be either at the designated quarantine station (by NADMA) or home quarantine, subject to Home Quarantine Application (HQA) status. Visit the link for detailed instructions on HQA. https://hso.moh.gov.my/outbreak-portal-hqa/index 5. Undergo an RT-PCR COVID-19 test at least two (2) days prior to the departure date.

We look forward to welcome you to UTM!

Thank you.

Subject: Financial Assistance to Mr. BALACHANDAR VIJAYAKUMAR for participating in "11th Conference on Broadband Dielectric Spectroscopy and its Application, Spain (04 September, 2022 to 09 September, 2022)"

Sir/Madam

We are happy to inform you that your application seeking financial grant to attend the above mentioned international scientific event has been recommended for support by the Science and Engineering Research Board (SERB). We will provide to and fro economic class air-fare by the shortest route, airport tax, visa fees & registration fees. It is hoped that the support will give you an opportunity to interact with leading international experts in the area. The support, however, is subject to the following conditions.

1. You should not have received financial support during the last three years under this scheme.
2. The air tickets are to be booked in economy class at "Lowest Available Fare" on the date of booking. It may be noted that rescheduling/cancellation charges will not be reimbursed.
3. SERB is directed to instruct the applicant to purchase the air tickets either of these two Govt. authorized travel agents viz. i) M/s Balmer Lawrie & Company Limited (BLCL) and ii) M/s Ashok Travels & Tours (ATT). In case of failure of adherence to this guideline, air fare will not be reimbursed.
4. The candidate availing ITS must have to submit the certificate for "Lowest Available Fare" at the time of reimbursement.
5. The signed print copy of Claim Form along with the original Boarding passes and other relevant documents must be sent to the SERB immediately after completing the online Claim Form to the following address.

ITS Section
3rd & 4th Floor, SERB Block II
Technology Bhavan, New Mehrauli Road
New Delhi 110016
6. The account details must be in the format available at the home page of the online portal in the format section and it must be endorsed by the competent authority of the institute/university.
7. SERB will reimburse the grant after deducting the financial assistance received from any other sources, if any.
8. All other expenses such as per diem, taxi fare etc. will not be reimbursed by SERB.
9. You will have to make your own arrangements for foreign exchange required for the purpose.
10. You will not be treated as a delegate sponsored by the Government of India.
11. We request you to either accept or decline this offer at the earliest online. On acceptance only, you will be able to submit the Claim Form. Please note that once you decline this offer, it will be assumed that you are not interested in availing this offer and no further communication will be entertained in this matter.
12. You must submit Claim Form and other relevant documents online within 90 days of the Last Date of the Event, failing which SERB will not reimburse the Travel Grant.
13. If any candidate found to have furnished incorrect / misleading information at any stage, his/her candidature will be cancelled and no reimbursement will be made. The candidate will also be debarred for next three years for availing support under this scheme.

Disclaimer:

1. Financial support will be provided for physical attendance in the event. No support will be provided in case of online/web attendance.
2. No financial support will be provided other than approved items as mentioned above. SERB will not be responsible to bear any other cost borne by the candidate.

With kind regards

Dear Karthikeyan Subbiaha Nadar Chelladurai:

Congratulations on your appointment to Purdue University. Enclosed you will find your SEVIS-generated Form DS2019 to use in obtaining a J-1 visa at a US Embassy or Consulate.

You will now need to **apply for a visa, arrange health insurance, enter the US and report to your department ISS liaison, Karen Walker**, within 20 days of the start date. Instructions to delay your start date as necessary are below.

Please review the US Dept of State's (USDOS) Welcome Brochure for this program:
<http://j1visa.state.gov/wp-content/uploads/2015/03/Brochure-The-Exchange-Visitor-Program>

To apply for the visa, do the following (Canadian citizens may enter the US without applying for a J visa, but they must show proof of SEVIS fee payment upon entry):

1. Pay the SEVIS fee by one of two methods:
 - a. Pay online at www.FMJfee.com using a credit card.
 - Purdue's Exchange Visitor Program Number is P-1-00622.
 - Print out the electronic SEVIS fee receipt immediately as proof of payment. This receipt will be required by the US consulate to apply for your J-1 visa.
 - J-2 dependents who will apply for a J-2 visa do not need to pay the fee; however, they should bring a copy of their spouse's SEVIS fee receipt.
 - For more info, go to <https://www.ice.gov/sevis/i901/faq>.
 - b. Pay using Western Union Quick Pay: follow instructions at <https://www.ice.gov/sevis/i901/wu-instructions>
2. Apply at a US embassy or consulate for J visa(s) according to their instructions. Go to this site to locate a specific embassy or consulate's website: <http://usembassy.state.gov/>

All J-1 exchange visitors and their dependents are required by the federal regulations to maintain health insurance while in the US in J status. Please obtain the type of health insurance as described in the USDOS Welcome Brochure (site address listed above). If you are to be paid by Purdue University, you should check with your department to see if Purdue staff insurance will cover you. **You will be required to show proof of insurance upon reporting to Purdue. It is easier to purchase this insurance before you enter the US** as 1) you will not be able to purchase this insurance from Purdue and 2) you must show proof of insurance before Purdue grants you campus internet access. You may purchase insurance from a private agency in your home country or from an US based insurance company that issues insurance for visitors to the US. A few are listed here.

- Seven Corners, Inc.:
<https://purchase.sevencorners.com/policygroup/HW75DKN/HGPTCPN/>
- Taian Financial LLC: taianfinancial.com/#spurdue
- Insubuy Inc.: <http://www.insubuy.com/j1-visa-health-insurance/>

The important point to remember is that the insurance for you and your dependents has to meet the requirements as described in the USDOS Welcome Brochure (site address listed above).

Hovde Hall of Administration – 610 Purdue Mall – West Lafayette, IN 47907 – (765) 494-9705

To enter the US, present the following to the US Customs & Border Patrol (USCBP) officer at the Port-of-Entry (POE) for yourself and any dependents with you:

- DS2019
- Passport valid 6 months beyond date of entry to the US
- Visa (Canadian citizens will not need a J visa but will need to show proof of SEVIS fee payment at the POE [explained on the previous page]).

All J-1 exchange visitors must enter the US no later than 20 days after the DS2019 start date (item 3 on this form). If you plan to arrive earlier, you may enter up to 30 days before the start date. Please contact your Purdue department ISS liaison if you are not able to arrive in the US by this time period so that we can amend your start date. (For example, if your start date is April 1st, you may arrive as early as March 2nd or as late as April 20th.) **If your start date is amended to allow for a later arrival, a new DS2019 is not needed, but show whatever DS2019's you have to US government officers whenever appearing before them during the visa application process or at the POE.**

Upon arrival, please report to your ISS liaison, Karen Walker, in the Dept of Health Sciences for the e-checkin process. You will need the following:

- **Local street address** where you plan to sleep that night (even if temporary).
- **Emergency contact info** to contact if you were placed in a hospital that night. This information should be for a family member or close family friend. Contacts in your home country are preferred, but US contact info can also be given.
- **Proof of health insurance in English** as you would show if you were in a hospital that night. For those paid by Purdue, this proof would be your job offer letter stating you will receive benefits.
- The following original documents for yourself and any J-2 dependents who entered the US with you:
 - **DS2019, Passport, J Visa stamp, and I-94.** The I-94 is obtained online after you enter the US at www.cbp.gov/i94.

All J-2 dependents must arrive on or after the J-1 has arrived (not before). If your dependents arrive later, please bring the above documents to ISS.

For a map of the campus, go to http://www.purdue.edu/campus_map/. To arrange housing in this area, please work with your Purdue supervisor/inviting professor and/or the department ISS liaison. For off-campus housing options, the site could be useful: <http://www.housing.purdue.edu/offcampus/>.

If you have any questions before arriving in the US, please contact the department ISS liaison first. We wish you a safe and pleasant trip to the United States.

Sincerely,

Austin Smith

04.10.2021

Dear Mr. Karthikeyan Subbiaha Nadar Chelladurai,

Congratulations on your selection for the *SERB-PURDUE University Overseas Visiting Doctoral Fellowship* for the year 2021 jointly supported by the Science and Engineering Research Board (SERB), a statutory body of the Department of Science and Technology, Government of India and Purdue University, West Lafayette, USA. The fellowship has been approved for a duration of **twelve months** with **Dr. Jennifer L. Freeman at School of Health Sciences, Purdue University, West Lafayette, USA.**

SERB-Purdue University Overseas Visiting Doctoral Fellowship includes:

- ❖ Monthly Fellowship of USD 2000 per month.
- ❖ Return Airfare in Air India by economy class and shortest route from your place of work in India to the place of the overseas host institute and back.
- ❖ Preparatory Allowance/Contingency grant up to Rs. 60,000/- to cover visa fee, airport transfer charges, medical insurance etc.
- ❖ Cost related to issuance of the DS-2019 visa form and incidental administrative fees.
- ❖ Laboratory consumables and supplies.
- ❖ Workspace in the appropriate department at Purdue.
- ❖ Application fee is waived off for visiting research student under the scheme.
- ❖ One visit, each by the Indian supervisor to Purdue University and overseas faculty to the host Indian Institution of the student during the tenure of his doctoral studies is also admissible under the Scheme subject to the terms and conditions.

Please note that the Award is subject to providing your acceptance to the terms and conditions laid by SERB as detailed in the Annexure-I (attached) and satisfying the eligibility conditions as specified in the call for applications.

You are requested to intimate your acceptance latest by 20th October 2021.

Kindly quote the above referred Award Number in all your future correspondence with us.

Best wishes for your research endeavor and we expect the fellowship will give high return to our country.

Yours sincerely,

Research Statement for Dr Ajith Kumar Research Fellow at the University of Surrey

To whom it may concern

Solid oxide steam electrolysis (SOSE) is a promising technology for green hydrogen production with high efficiency, to play an important role in meeting the net zero targets. This project will develop tubular SOSE stacks by using thermally sprayed catalyst coatings to enhance stability and performance. The Research Fellow will support the development and manufacturing of the tubular SOSE stack led by our project partner at Robert Gordon University, in collaboration with the National Nuclear Laboratory, and the Science and Technology Facilities Council.

Dr Ajith Kumar completed his PhD in 2021 from Sathyabama Institute of Science and Technology (Chennai, India) with his PhD thesis entitled: *Investigation on Microstructural and Electrical Properties of Ceria based Electrolytes and Electrodes for Intermediate Temperature Solid Oxide Fuel Cells*. He has been working as a Scientific Assistant at Sathyabama Institute of Science and Technology since June 2021. Dr Ajith Kumar has abundant experience in synthesizing and characterising ceramic nanomaterials, thin film coating, fabrication and electrochemical measurement of solid oxide fuel cells, with 15 published papers in reputable journals. His rich experience in solid oxide fuel cells (which share similar materials but operate at the reverse mode of SOSE) will be extremely helpful and perfectly meet the requirement for this project.

Dr Ajith Kumar will join my group at the department of Chemical and Process Engineering, University of Surrey, to develop on-chip technology and in-situ characterizations on metal-CO₂ batteries since 12 September 2022. Detailed tasks include: (1) Synthesise, characterise, and testing various ceramic-based nanocomposites for fabrication of solid oxide electrolysis cells; (2) Cell fabrication through the application of advanced thin layer coating routes (like thermal spray coating, screen printing, spin coating, etc.) for the fabrication and characterisation of the electrolysis cell individual layers; (3) electrochemical performance analysis, impedance measurements, and optimisation of the fabricated cell for efficient hydrogen production by high-temperature steam electrolysis; and (4) Assist in publishing high-quality journal papers and/or intellectual property to maximise the impact of the research group/project and contributing to the supervision of students in the research group (postgraduates and undergraduates).

I can confirm that Dr Ajith Kumar will be participating in research at PhD Level or above in subject areas of Physical Sciences and Engineering (CAH-07-02-01 – Chemistry, CAH-07-03-03 - Materials Science, CAH 10-01-09 Chemical process and energy engineering). All the research will be conducted under my supervision following the roles of the University of Surrey and EPSRC.

Yours sincerely,

Dear Rajesh,

On behalf of the Department of Biology at the University of Kentucky, I am pleased to offer you an appointment under the State Department J-1 title of Research Scholar. You will be working at the University of Kentucky in the capacity of a Post-doctoral Scholar beginning August 15th 2022, to February 15th 2024 with Dr. Chintan Kikani and other faculty members. Your position will be funded at an initial annual rate of \$50,499 to be paid in accordance with the payroll schedules of the University of Kentucky. There is a possibility of an extension based on available funding, performance, and visa approval.

Your responsibilities as a postdoctoral scholar will include 1. Performing supervised and independent research activities, 2. Developing an independent research program, 3. Mentoring and training graduate and undergraduate students.

As a postdoctoral scholar, your appointment status is that of a temporary staff employee and a postdoctoral student. You are entitled to the same health insurance and life insurance benefits as regular full-time faculty and staff, however, you are not eligible for participation in the UK retirement plan. More information on health benefits may be found at <http://www.uky.edu/HR/benefits/>. Additionally, you are entitled to three weeks of paid vacation, prorated to the employment length, that should be taken at the mutual concurrence of you and your faculty advisor. You are entitled to temporary disability sick leave in accordance with staff HR policy and procedure number 82.0 (<http://www.uky.edu/HR/policies/hrpp082.html>). You will also be eligible for holiday leave with pay in accordance with staff HR policy and procedure number 83.0 (<http://www.uky.edu/HR/policies/hrpp083.html>) and the President's Official Holiday Announcement (twelve days per year). A complete list of the benefits for postdoctoral scholars may be found in Administrative Regulations 5:1 (<http://www.uky.edu/Regs/files/ar/ar5-1.pdf>).

As a postdoctoral scholar, you will be subject to all applicable University policies, including the policies and procedures governing Research and Intellectual Property, Administrative Regulations Chapter 7 (<http://www.uky.edu/regs/ar.htm>).

The University of Kentucky requires all J-1 scholars, students and their dependents to have health insurance that meets or exceeds the university's minimum health insurance criteria. The Office of International Student and Scholar Services (ISSS) will provide you with information about this insurance requirement in your welcome materials. Please be aware that many health insurance companies in the U.S. or abroad do not meet the UK requirements. We recommend that you review the UK minimum requirements and send them to your current health insurance provider before deciding to purchase any health insurance. If you discover that your coverage does not meet the minimum standards or you wish to purchase the UK health insurance coverage you may do so upon arrival to the U.S. A temporary social security number will be provided for this purpose. Premium fees are found at this location: <http://international.uky.edu/ISSS/IFS/J1/HealthInsurance>.

As you may be aware from the hiring process, this offer of employment is contingent upon your successful completion of all pre-employment requirements. This includes a COVID-19 vaccination OR a religious/medical exemption. All requirements must be completed prior to your first day of employment. Failure to complete any of these requirements can result in your employment offer being withdrawn.

The Immigration Reform and Control Act of 1986 requires that all employees be eligible for employment in the United States. As a result, this offer is contingent upon your ability to present documents to the Lexington Campus Employment Office that verify both your identity and employment authorization. These documents will enable you to secure an I-9 certification through the Lexington Campus Employment Office. Enclosed you will find a list of documentation that is acceptable for I-9 certification (<http://www.uky.edu/hr/employment/i-9-form-documentation-requirements>).

If you accept this offer, you will need to send us either a copy of your diploma or a statement from the registrar or University official where you received your Ph.D. that you have received your doctoral degree and completed all degree requirements in order for your appointment to be processed. The University of Kentucky does not accept faxed copies. Additionally, we will need a copy of your passport, transcripts for your PhD, and updated CV that includes the date your Ph.D. was awarded. Please send to Stacey Wilks via email at stacey.wilks@uky.edu.

This offer will remain in effect until July 1st and is contingent on your ability to obtain a visa for entry to the United States. We will request that the International Student and Scholar Services issue a form DS2019 for your J-1 visa application. If you have any questions on any aspect of the offer, please feel free to call or write. Please sign and date in the spaces indicated below and return to me one copy of this offer letter no later than the aforementioned deadline. I believe that you will enjoy the professional interactions as well as the living environment of Lexington, Kentucky. I look forward to hearing from you.

ID No. P22081

Dear **Dr. Maharshi Bhaswant CHEETHIRALA:**

RE: FY2022 JSPS Postdoctoral Fellowship for Research in Japan (Standard)

I am pleased to inform you that the Japan Society for the Promotion of Science (JSPS) has decided to approve the application of Professor Teruo MIYAZAWA, Tohoku University, and to award you a fellowship under the "FY2022 JSPS Postdoctoral Fellowship for Research in Japan (Standard)" to conduct research in Japan under the leadership of your host researcher for a period of (24) consecutive months. Regarding the terms of fellowship, please see the attached "Certificate of Financial Support."

For this Fellowship award to be valid, you must start your fellowship in Japan within the period of April 1, 2022 through September 30, 2022.

Please note that this award is valid only if you obtain your Ph.D. degree before your Fellowship commences. Following the guidance in the enclosed booklet "JSPS Program Guidelines", please send us a copy of your diploma or an original of doctorate certificate by the mentioned deadline. Otherwise, your Fellowship will become invalid.

After reading the "Guidelines", if you agree to all of the conditions stipulated therein and decide to accept the Fellowship, please sign the "Notice of Acceptance and Pledge" and send it to JSPS via your host researcher.

In future correspondence with JSPS, please use your above-indicated ID number.

Sincerely yours,

Dr. SATOMI Susumu
President
Japan Society for the Promotion of Science

Die Forschungseinrichtung verpflichtet sich, den/die Forscher/in zur Durchführung von Forschungstätigkeiten aufzunehmen. The research organisation is hereby obliged to admit the researcher for the purposes of research.		
Umfang der Tätigkeit des Forschers Details of the researcher's activity Brijitta Joseph Boniface wird bei der Erforschung künftiger Quantentechnologien tätig sein. Das Auftreten von durch Unordnung verursachten magnetischen Zuständen in frustrierten Magneten ist einer der wichtigsten und aktuellsten Aspekte des Magnetismus. Es ist aber noch immer nicht klar, wie sich die Unordnung auf die Grundzustände auswirkt. Wir schlagen vor, den Einfluss von Unordnung auf Quantenskalen zu untersuchen und verschiedene Möglichkeiten zur Abstimmung von Quantengrundzuständen durch korrelierte Unordnung in Spin-Eis-Pyrochloren und verwandten Verbindungen gründlich zu erforschen. Dies kann durch einen neuartigen Ansatz erreicht werden, der die systematische Festkörpersynthese von Proben mit kontrollierter Unordnung mit einer Reihe fortschrittlicher Neutronenstreuetechniken und theoretischer Modellierung kombiniert. Die vorgeschlagenen Forschungsarbeiten könnten einen interessanten Weg für die potenzielle Realisierung von Quantenspinflüssigkeiten eröffnen, die eine ideale Quantenmaterialplattform für die Erforschung künftiger Quantentechnologien sein können. Die Anwesenheit des Forschers ist zwingend erforderlich und aus wirtschaftlicher Sicht notwendig. Die Forschungstätigkeit kann nicht verschoben oder im Ausland verrichtet werden.		

Die/der Forscher/in verpflichtet sich, Forschungstätigkeiten durchzuführen. Wird ihr / ihm eine Aufenthaltserlaubnis gemäß § 18d des Aufenthaltsgesetzes erteilt, schließt sich zusätzlich nachfolgendes Rechtsverhältnis an: The researcher is obliged to implement research work. Hello Sir,

Please find below the details of the SERB TARE funding which I got from the SERB website, as per required.

Eligibility

Nature and Duration of Support

Not exceeding three years covering areas under Life Sciences, Physical Sciences, Chemical Sciences, Engineering Sciences, Earth & Atmospheric Sciences & Mathematical Sciences, including interdisciplinary areas

Research fellowship of Rs. 60,000/- per year (in addition to the researcher's own salary) will be provided subject to completion of minimum 90 days research work per year in the host institution. Research grant of Rs. 5 lakhs per annum (50% each to host and parent institution) and overheads (as per SERB norms) will be provided.

Selection & Mode of Application

The approval letter obtained from SERB as well is attached below, please check.

Subject: Project titled "CsPbBr₃ perovskite/ transition metal di-chalcogenides (TMDCs) based composite solar cell for enhanced power conversion efficiency"

Dear Dr. Gopika G,

We are happy to inform you that your application cited above has been approved by the Science and Engineering Research Board for funding under **Teachers Associateship for Research Excellence (TARE)**. The following are the approved items for a period of three years.

Research Grant ? As per SERB-TARE norms

Fellowship ? As per SERB-TARE norms

Overhead Charges ? As per SERB-TARE norms

1. This approval letter is valid subject to the fulfilment of all the eligibility criteria for the TARE and submission of required documents.
2. You are requested to submit the joining report in the host institute and submit relevant documents within one month from the date of receipt of this letter. Projects requires ethical / biosafety / stem cell / wildlife clearances etc. candidate will be allowed to join the host institute only after acquiring such clearances.
3. The grant will be effective from the date of joining in the host institution.
4. Follow the norms of host and parent institutions while implementing the project. Please visit our website www.serbonline.in for the terms & conditions of the grant.

Kindly quote the reference number in all future correspondence. The reference no. **TAR/2022/000258** should be mentioned in all research outputs (publications/patent etc.) arising from the TARE grant.

Kindly follow the below steps only then you will be able to acknowledge the approval letter:

1. Go to www.serbonline.in through your credentials
2. Go to Menu --> Proposal submission --> View submitted proposals

A certificate stating that any visit abroad for a period more than eight weeks would be undertaken after due permission from SERB, may also be submitted.

Kindly upload RTGS details of the parent as well as host institute to facilitate transfer of the fund as per the template

Mr R.Kaja Bantha Navas,

Assistant Professor, Sathyabama Institute of Science and Technology

Founder, Helios Innovation Pvt Ltd

Sub: Letter of Appreciation to Mr R.Kaja Bantha Navas for delivering 10-Hours Online Training on Design Thinking & Innovations during the period of 28th June 2021 to 9th July 2021

Dear Mr R.Kaja Bantha Navas,

APSSDC would like to thank you very much for delivering an informative and thought provoking Online Training Program during Covid-19 crisis time, which was organized from 28th June 2021 to 9th July 2021 Your talk on "**Topic: Design Thinking & Innovations**" It was really a splendid presentation and good exposure and experience to the students on Design Thinking & Innovations.

List of topics:

Day-1 Design Thinking – Fundamentals

Day-2 Observation Problem identification from the environment, Need Findings

Day-3 Empathy and Product Visualization

Day-4 Persona

Day-5 Wheel on Product and Wheel on Life

Day-6 Ideation

Day-7 Product to IPRs

Day-8 Prototype and Experiments

Day-9 Assignments & Discussion

Was one of the most interesting topics every Student needed and the Program was well designed, very interesting and the discussions were truly inspiring and which made all the Student participants easily understandable. It was an honour for APSSDC to have you as one of the resource speakers.
