SEED GRANT OFFER LETTER

Ref.: SIST/2019 -20/SG/01

08.10.2019

To

Mr. Vijay Pepakayala,

Mentor: Anderson A

Associate Professor

Department of Aeronautical Engineering

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled “ **Lowest emission sustainable aviation biofuels as the potential replacement for the Jet-A fuels**” has been selected for the seed grant of Rs.129000.

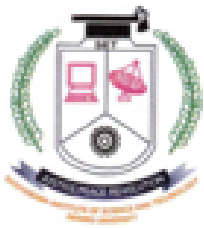

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Designing of Wearable Robot for The Treatment of Ankle Injuries**" has been selected for the seed grant of Rs.123000.

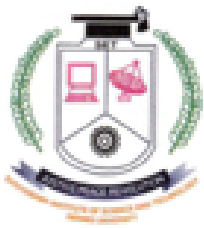

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

SEED GRANT OFFER LETTER

Ref.: SIST/2019 -20/SG/42

08.10.2019

To
Dr.A.Sheik Mideen
Professor
Department of Chemistry

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Electrophoretic deposition of zirconia on alumina for molten salt applications**" has been selected for the seed grant of Rs.42600.

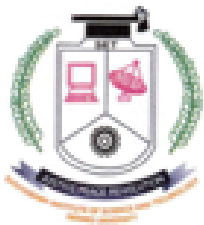

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

Mr. Aranganathan A

Assistant Professor

Department of Electronics and Communication Engineering

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Blood Vessel Segmentation on Retinal Images**" has been selected for the seed grant of Rs.67000.

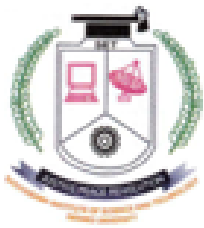

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

SEED GRANT OFFER LETTER

Ref.: SIST/2019 -20/SG/104

08.10.2019

To

Ms. I Rexiline Sheeba

Assistant Professor

Department of Electronics and Communication Engineering

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Patch antenna using meta material**" has been selected for the seed grant of Rs.68000.

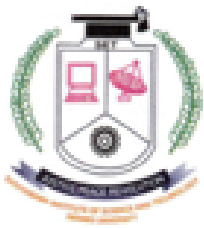

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Spectral domain techniques for classification** " has been selected for the seed grant of Rs.15000.

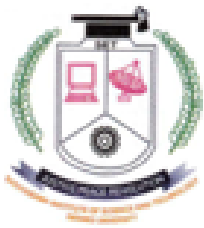

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

SEED GRANT OFFER LETTER

Ref.: SIST/2019 -20/SG/145

08.10.2019

To

Dr. Kamaraj Thangasamy

Associate Professor

Department of Mathematics

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Generative Power of Hexagonal Prusa Grammar Model Revisited**" has been selected for the seed grant of Rs.10000.

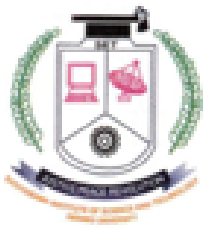

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

SATHYABAMA

SEED GRANT OFFER LETTER

Ref.: SIST/2019 -20/SG/166

08.10.2019

To

Dr.S.P.Venkatesan

Associate Professor

Department of Mechanical Engineering

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Design of Low cost refrigeration system using LPG**" has been selected for the seed grant of Rs.92000.

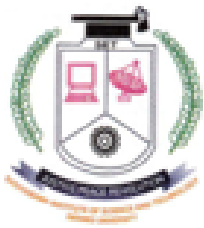

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

SEED GRANT OFFER LETTER

Ref.: SIST/2019 -20/SG/186

08.10.2019

To

Dr. Preethisheshadri

Associate Professor

Department of Management Studies

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Mitophagy regulates integrity of mitochondria at synapses and is critical for synaptic maintenance**" has been selected for the seed grant of Rs.18000.

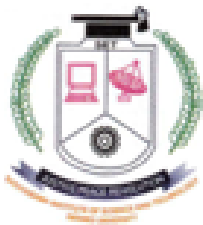

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

SATHYABAMA

Department of Mechanical Engineering

Dear Sir / Madam,

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Ocean acidification affects biological activities of seaweeds**" has been selected for the seed grant of Rs.60000.

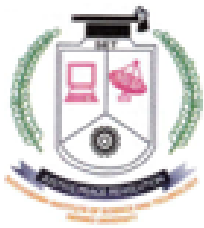

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor

Sathyabama Institute of Science and Technology is pleased to inform you that your research proposal entitled "**Isolation, characterization and identification of antibiofouling metabolite from mangrove derived *Streptomyces sampsonii* PM33**" has been selected for the seed grant of Rs.25000.

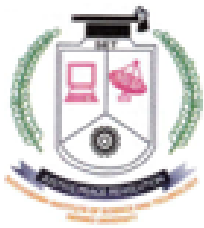

Please review the below terms and conditions of the seed grant for receiving the anticipated financial support from us

- You will be required to maintain the confidentiality of your innovation and shall not disclose any information to any external entity without obtaining prior approval from the Institution
- You should not do any other business activity related to this innovation without the written consent of the Institution
- Project Monitoring Committee will review the progress of the project and its implementation
- The complete project plan with clear milestones are to be submitted for the release of the fund
- The institution holds the right to recover or terminate the financial support if the proposed milestones are not achieved within the time period mentioned by the awardee.

With warm regards,

Chancellor
