Dear Prakash

The Rufford Foundation – (RF)

I am pleased to advise you that the trustees of The Rufford Foundation have approved a RSG grant of £4957. The grant is being made towards your project – STATUS AND SAFE EXPLOITATION OF MARINE ORNAMENTAL FISHES AND INVERTEBRATES OF GULF OF MANNAR, TAMILNADU: AN EXPENSIVE RESERVE FOR CONSERVATION.

You agree that you will only use the grant for the purposes of that project and will provide to the trustees a full formal report in twelve months' time to detail how the grant has been used (using the RF Final Report template sent with this letter). The report will include an account of all relevant expenditure in the period covered by the report. If you use the grant for purposes other than the above project, or do not supply us with a report that we consider to be satisfactory, then you agree to reimburse the grant to us in full. You will also provide us, by email, with ongoing feedback and photographs from the project to be used on the RF website (refer to email attachment entitled Submissions for the Rufford Foundation website). Please see our new map on the website and feel free to make contact with persons working in your area and doing similar projects.

By accepting the grant you warrant to us that you, Prakash S, will comply with the terms of the grant as set out in this letter.

We should be grateful if you would sign a copy of this letter to accept the terms of this grant. Once the signed duplicate copy has been received by fax or post, together with your bank details, by The Rufford Foundation, the said funds will be released. As soon as the funds are received, please acknowledge safe receipt of them to receipt@rufford.org quoting our reference number at the top of this letter.

Yours sincerely
Josh Cole

Dear Dr Sasipraba

Re: Shrutika Hareshwar Raut 37306-1

As you know, after careful consideration, the Trustees of The Rufford Foundation have approved a Grant of £5995 (the **Grant**) to Shrutika Hareshwar Raut to support Assessing diversity, population genetics, and conservation status of electric rays along Bay of Bengal, India (the **Project**). A copy of the Grant Agreement and the completed Banking Information Form is enclosed with this letter.

The Rufford Foundation does not pay Grant monies directly to individuals and we will therefore pay the Grant to your institution's account.

This letter sets out briefly our understanding of the terms on which your institution holds the Grant.

Whilst we hope that your institution will not charge any administration fees to hold the Grant, should you decide that it is necessary to do so, please communicate this to Shrutika Hareshwar Raut in writing. The Rufford Foundation will not cover the cost of such fees and these should be deducted from the Grant with the agreement of the applicant.

We will make the full grant payment directly to your institution's bank account – please check that the information on the enclosed Banking Information Form is correct. For the avoidance of doubt, you will have no beneficial entitlement to the funds and these will be held to the order of Shrutika Hareshwar Raut.

Any funds that are unused at the end of the Project should be returned to the Rufford Foundation in full. Should it be necessary for us to reclaim the Grant or any portion of it due to the breach of the agreement made between the applicant and the Rufford Foundation, we will do so directly from the applicant but will keep you informed at all times.

The Grant must be used exclusively for the Project as outlined above and not for any other programme, project or for any other purpose. The Grant is not transferrable to another individual.

We should be grateful if you could confirm receipt of this letter. If you have any further questions, please do not hesitate to contact Jane Raymond at jane@rufford.org.
