SCHOOL OF BIO AND CHEMICAL ENGINEERING

DEPARTMENT OF CHEMICAL ENGINEERING

The IICChE Student Branch of Sathyabama organized a Seminar on the International filings through patent on 08.02.2018 for third and final year students of Chemical Engineering at Student Development Centre. The seminar deals with all aspects of Intellectual Property rights including patents, designs, trademarks, copyright, geographical indications trade secrets, and related matters. The main objective of this seminar was to increase the awareness of patent filing and its various aspects like how to search, draft including filing and prosecution procedure, etc. A huge response for it has been received and more than 50 participants have registered for the seminar. Awareness of the international filings through the patent was delivered by Dr.G.S. Venkatratnam, Chairman, IICChE-CRC, Dr.A.Annam Renita Staff coordinator and Executive committee Members of IICChE Student Branch.
